1983 GOLDEN MEMORIES

Decatur High School

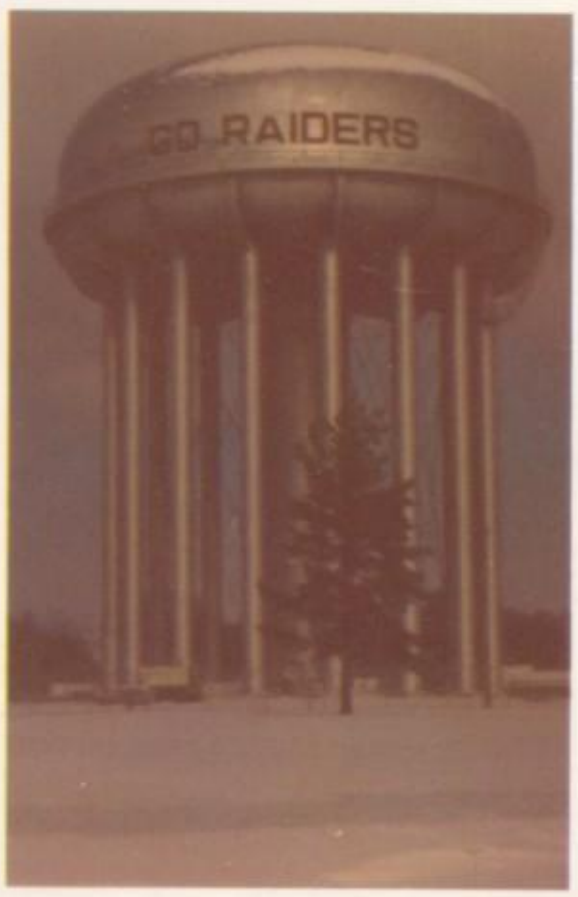
Decatur, Alabama

Volume 59

Why are there so many songs about
And what's on the other side?

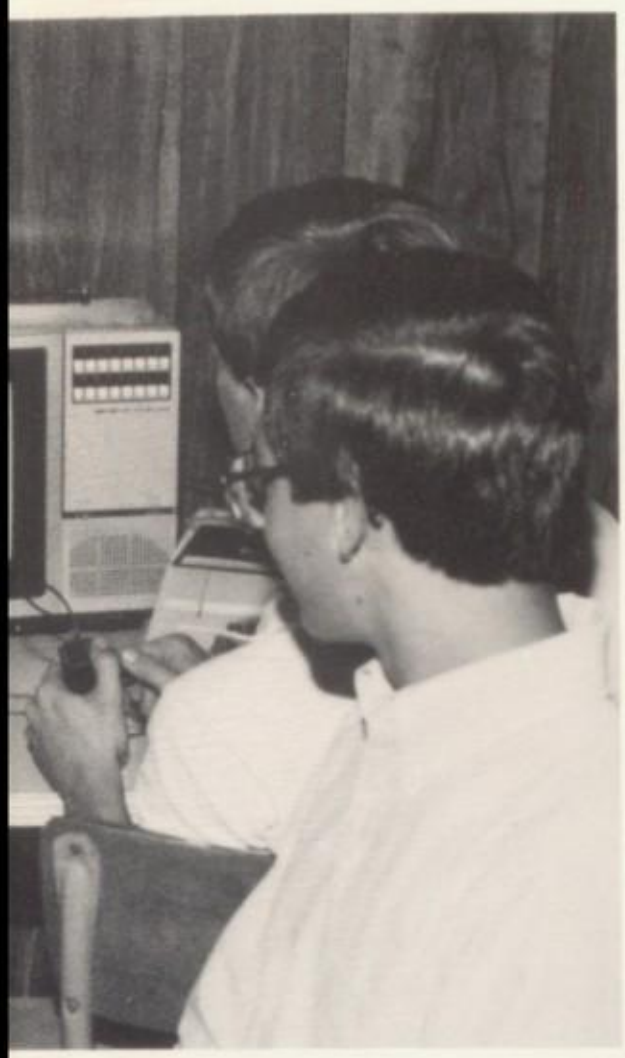
rainbows?

Rainbows are visions
but only illusions



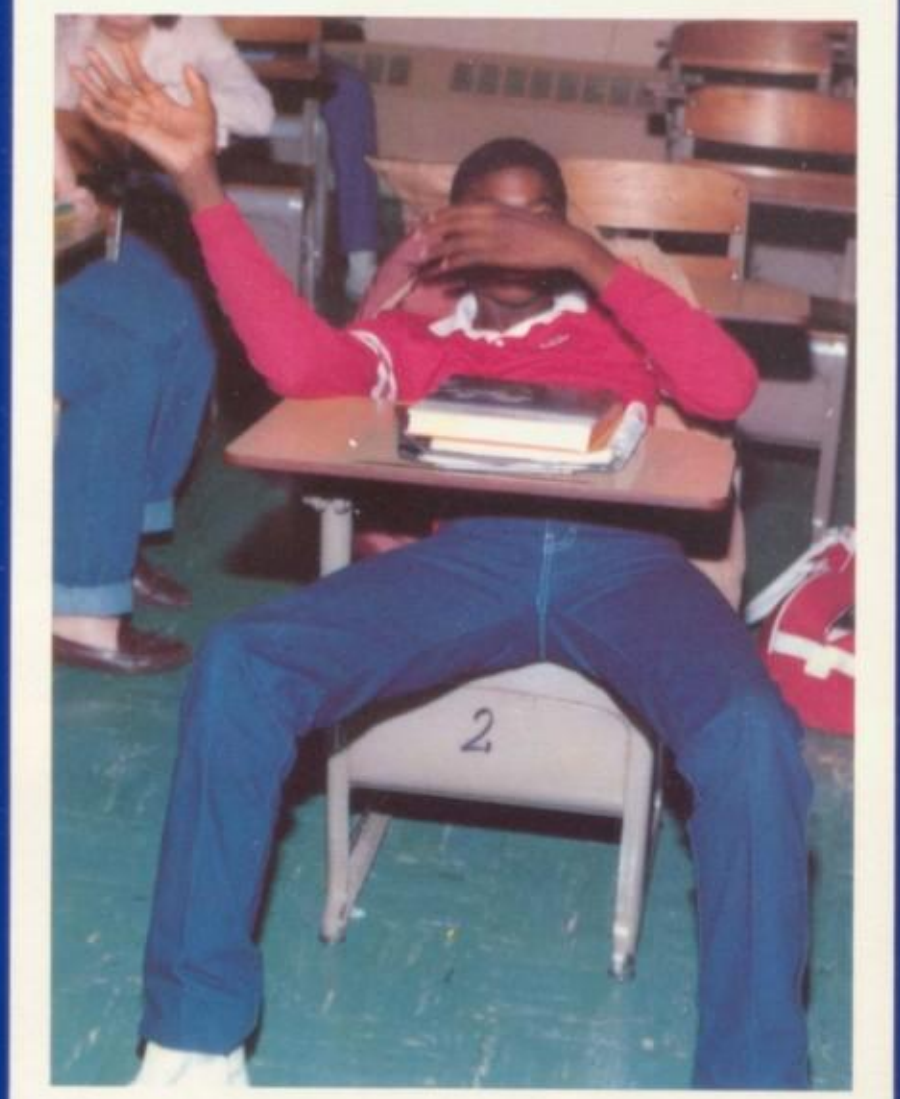
And rainbows have
nothing to hide.

What's so amazing
that keeps us stargazing?

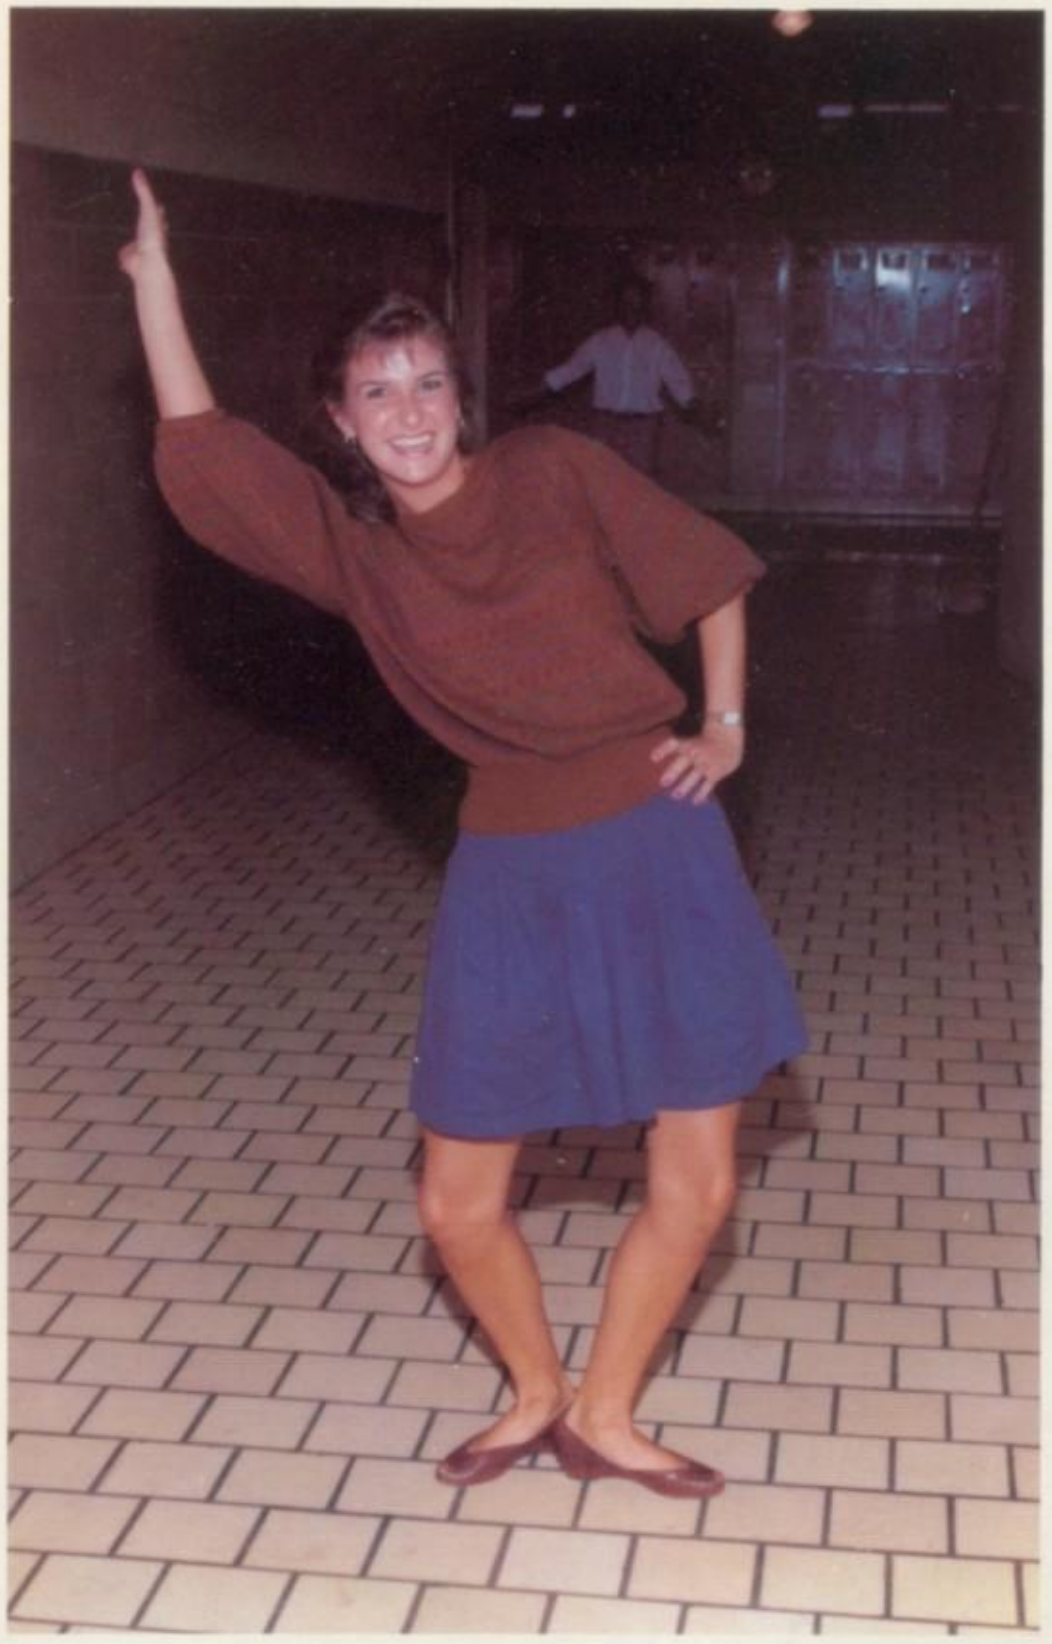


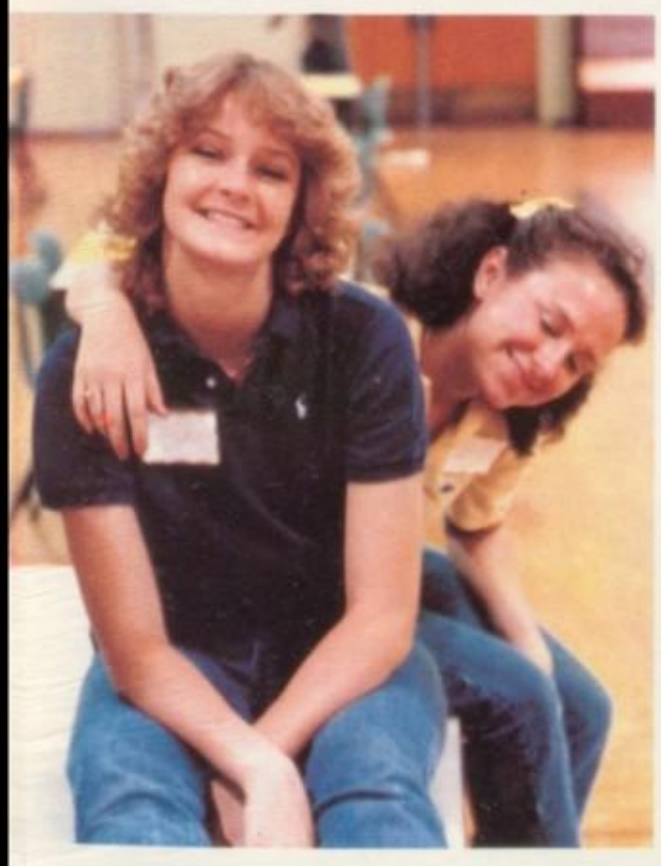
And what
do we
think we
might see?

Have you been half asleep
and have you heard voices?

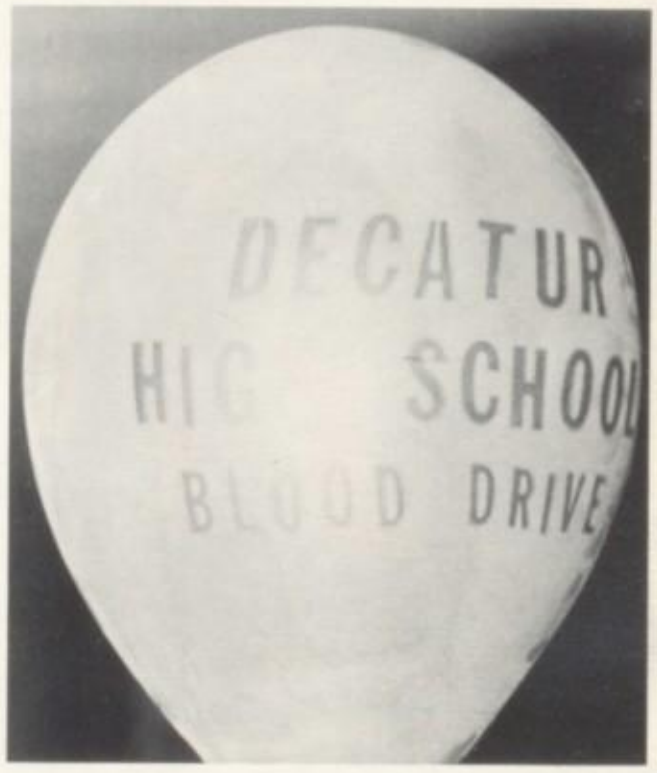


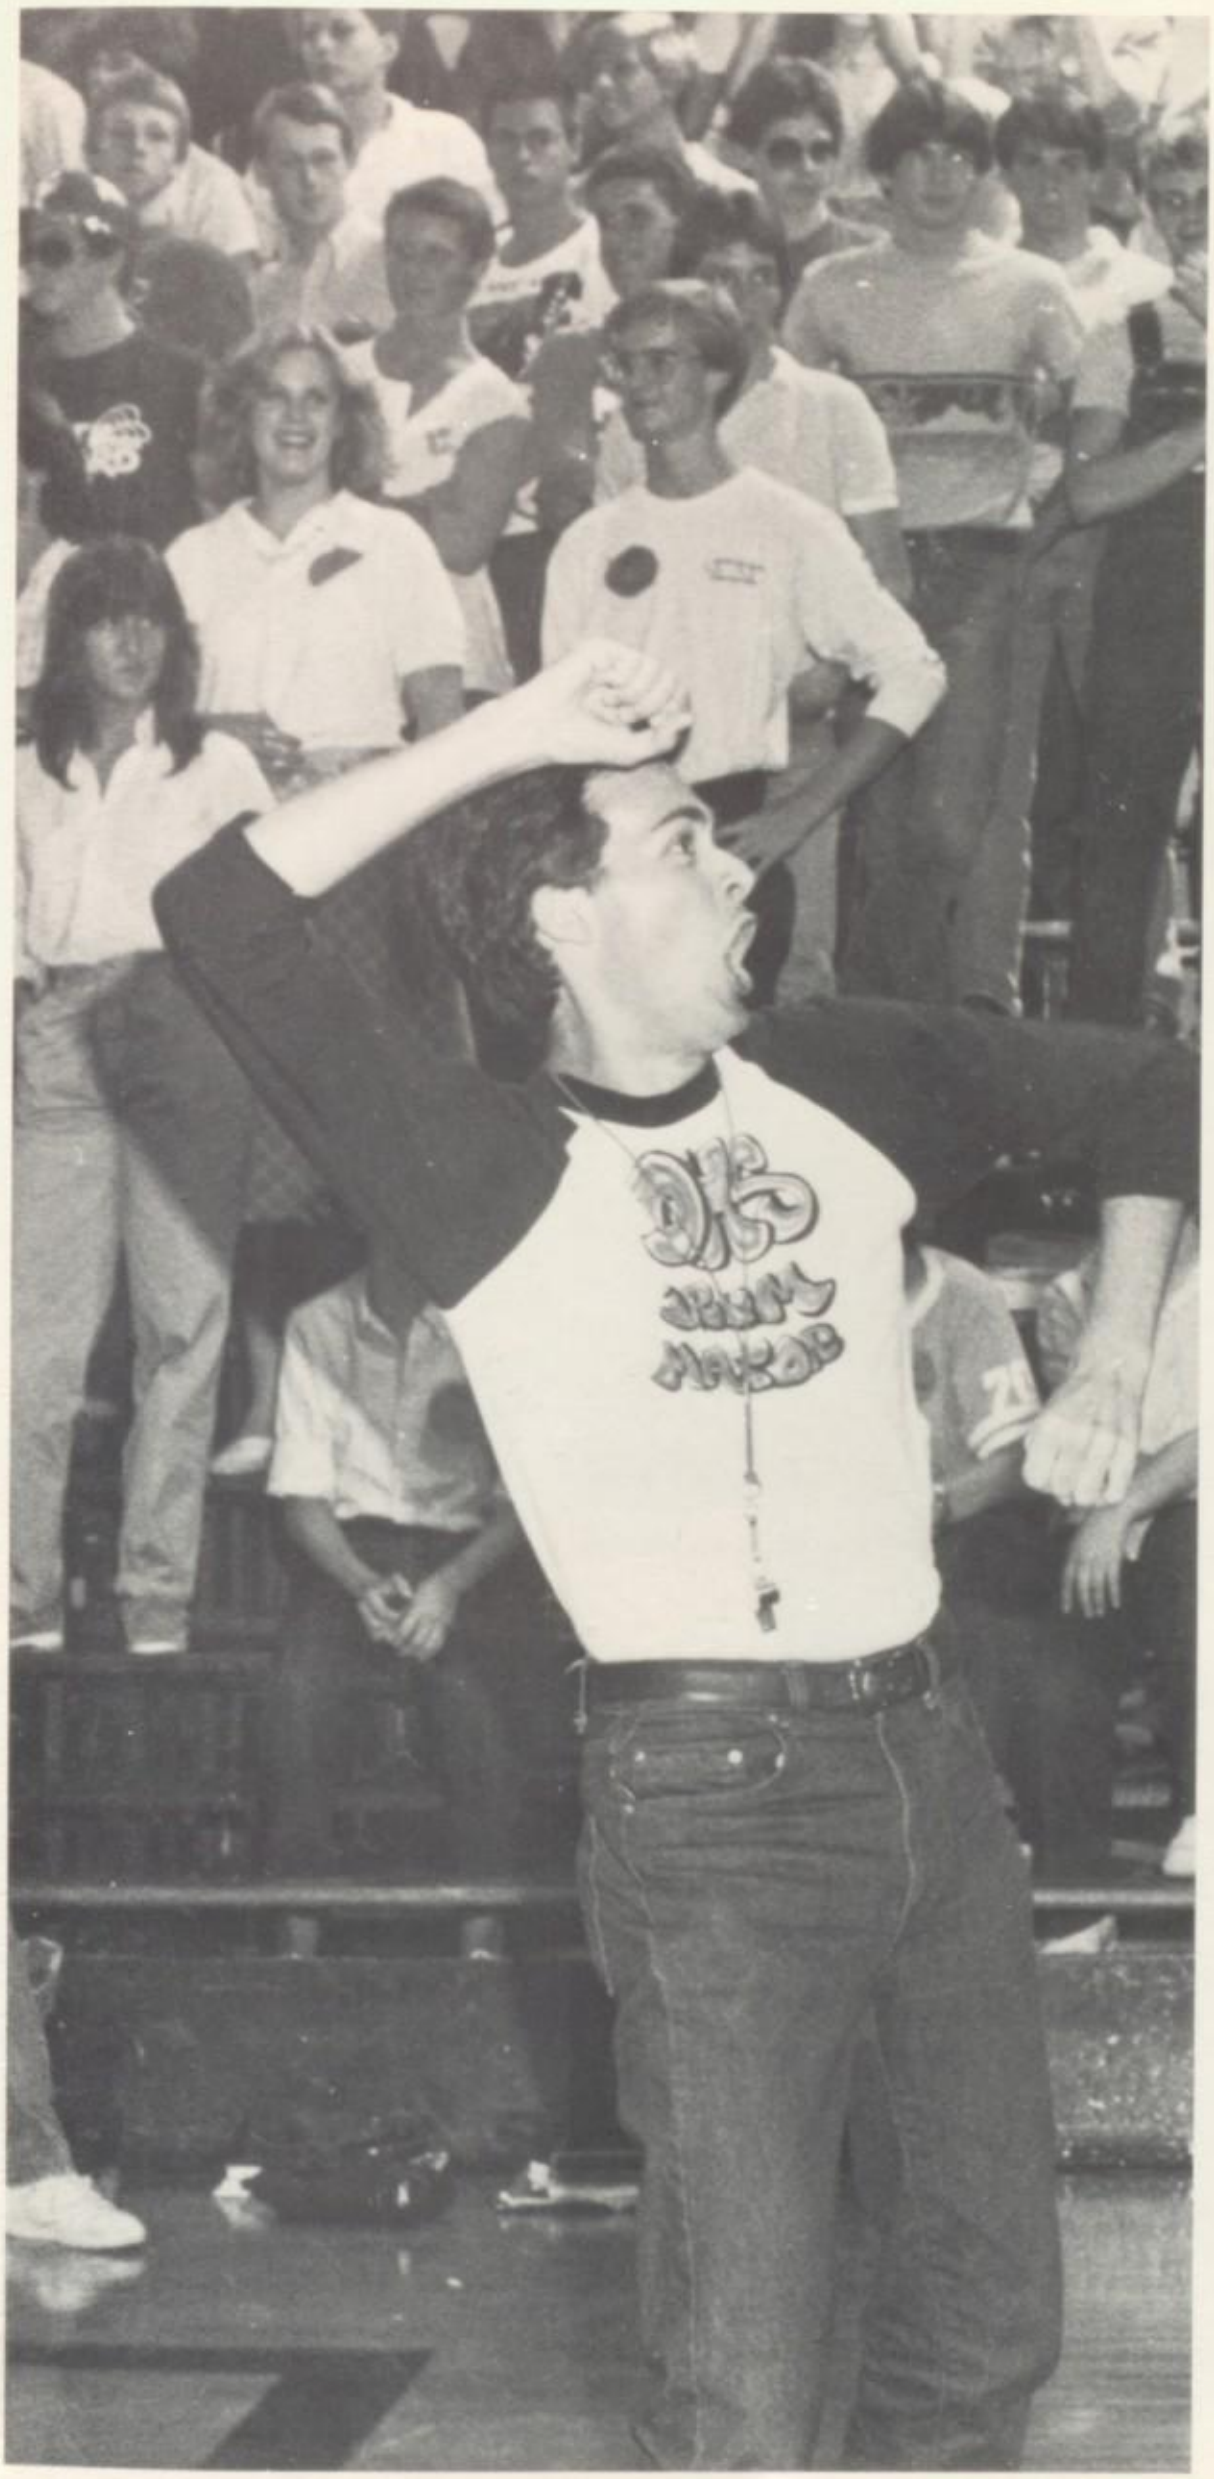
I've heard them
calling my name.

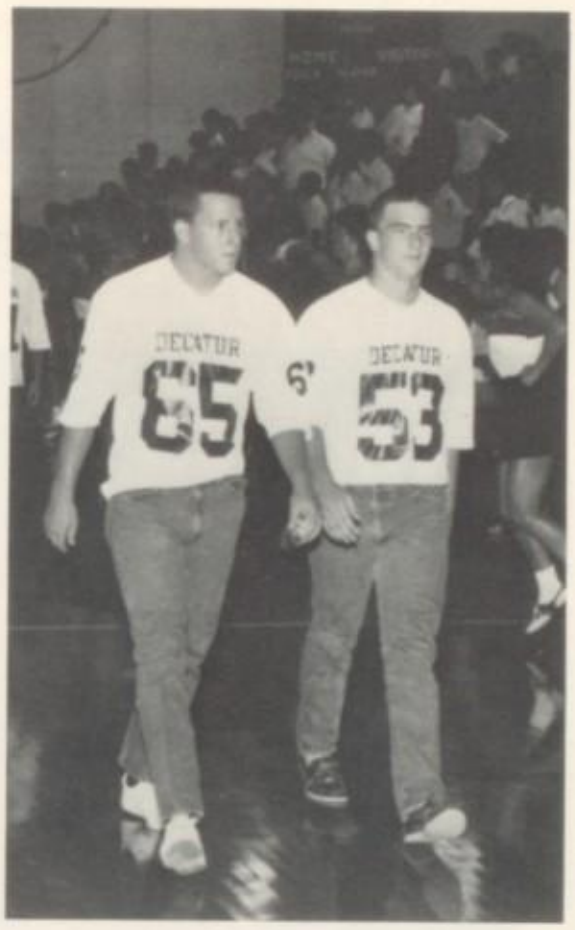




I've heard it too many times to ignore it.



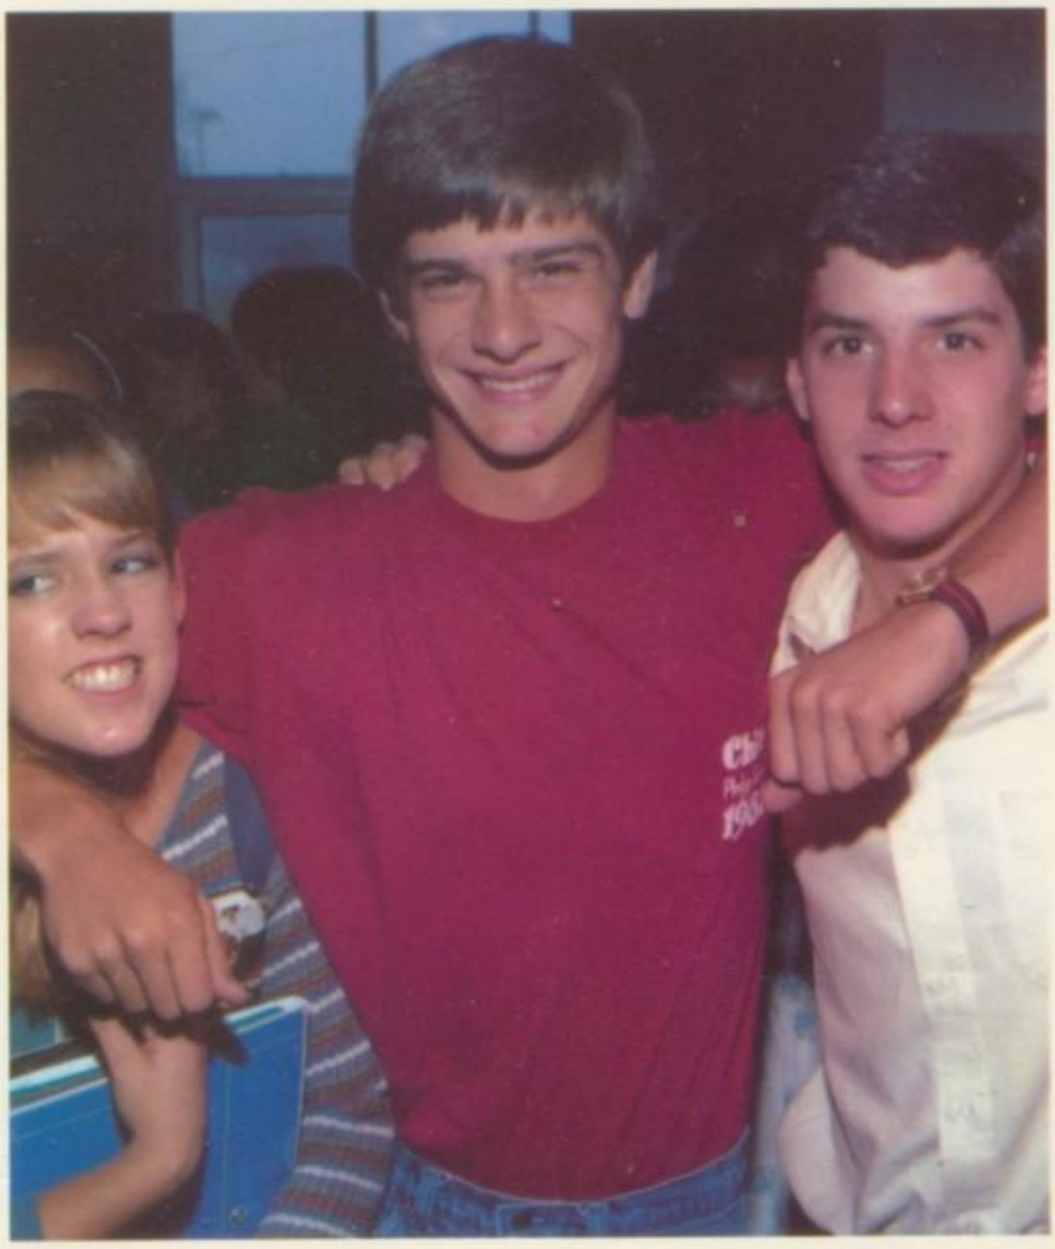




It's something
that I'm
supposed to be.

Someday we'll find it —
the rainbow connection

The lovers
the dreamers



and ME . . .

Board of Education

Seated, Left to Right: Mr. Alfred Matthews, Mrs. Patricia Woller, Mr. James H. Hurst. Standing, Left to Right: Mr. Quitman Henderson, Mr. James C. Francis, Dr. Byron B. Nelson, Superintendent, Mr. Collis Stevenson, Dr. Charles Howard

Principal

JAMES E. MILNER, our principal, has been at DHS for nine years. One factor, he said, which influenced him to become involved with education was his mother, who was a teacher for twenty-nine years. "So many times I would tag along with her while she was teaching. She always had a positive attitude about teaching." Mr. Milner holds his B.S. from Athens State College and his M.A. and Ed.S from the University of Alabama. At home, he enjoys gardening and refinishing furniture.

Assistant Principals

EARL O. WEBB, received his B.S. from Florence State University and his M.A. from the University of Alabama. Mr. Webb, who has coached at DHS for fifteen years, finds the most rewarding thing about teaching is having a former student or player come ten years after he graduated to thank him for something he did for the student. In his spare time, he enjoys golfing, fishing, and hunting.

EVA NELL HUNTER holds her B.S. from the University of Southern Mississippi and her M.A. and A.A. from the University of Alabama. She has been working and teaching at DHS for eighteen years. Her hobbies include traveling, reading, and keeping up with her children and grandchildren. Mrs. Hunter's most embarrassing moment occurred when someone submitted a birthday card to WAJF for her 81st birthday and she won the cake. "It was the happiest unbirthday I've ever had," she said.

1983 Faculty and Staff

PAUL ALLEN has been teaching at DHS for four years. He holds a B.S. and an M.A. in Industrial Arts from the University of Alabama. He teaches Woodworking, Basic Industrial Arts, Engineering, and Drawing I and II. His hobbies – hunting, sky diving, and scuba diving – are dangerous ones. Although these might make anyone old quickly, they have the reverse effect on him. Mr. Allen's most embarrassing moment was the time Mrs. Harvey asked him for a pass because she thought he was a student.

BERVAL BENNETT keeps pretty busy as a DHS counselor; but when he's not at school, he may be white-water canoeing or flying. He is also an electronics buff, and he is the person to ask if you want some information from the computer in the South Office. He has his B.S. and M.A.T. from Athens College and has been at DHS for eleven years.

CAROLYN BIGGS teaches Algebra I and Geometry. She holds her B.S. and M.Ed. from the University of Alabama. This is her fourth year to teach at DHS.

BETTY JO ATKINSON, a graduate of Colorado State University and Athens State College with a B.S.E., has been teaching at DHS for five years. This year she is teaching Sophomore Speech/Literature. Her hobbies include traveling, needlework, reading, and entering contests. When asked what her advice to students would be, Mrs. Atkinson offered the following: "Make the most of your educational opportunities because a good education will remain with you forever."

JIMMY CANTRELL has been teaching choral music for eleven years. In addition, he is currently teaching Music History Theory. Mr. Cantrell's only comment about the length of time he has been here is "wow." He holds his B.S. from Athens College and his M.A. and Ed.S. from the University of North Alabama. In his spare time he sings with the Bachelors IV and plays softball.

(Right) KAY BLACKWELL received her B.S. from Athens College and her M.A. from the University of North Alabama. She is presently teaching Physics, Advanced Algebra and Trigonometry, Pre-Calculus and Math Seminar. In addition, she sponsors the Scholar's Bowl and the math teams. Mrs. Blackwell has been teaching at DHS for fourteen years.

BARBARA BLEVINS is teaching Marketing and Distributive Education. She received her B.S. from Auburn University. Miss Blevins has taught at DHS for three years.

MARTHA BROWN, who teaches Apartment Living and Advanced Home Economics, holds her B.S. from Auburn University. She likes to read and to do needlework in her spare time. Mrs. Brown has been teaching at DHS for fifteen years.

ANITA BUCKLEY, who most students recognize when they walk into the library, has been working here for ten years. "I became a librarian because I love books and I love working with young people," she says. Besides reading, she enjoys collecting depression glass and doing needlework. She has her B.S. from the University of Alabama and her M.L.S. from Louisiana State University.

DELORES CHUNN, who teaches Freshman English and Basic Junior English, has taught at DHS for twelve years. She has a B.A. from Tennessee A & I State University. To students, she offers the advice that they should take advantage of their opportunities now because these opportunities knock but one time. Mrs. Chunn loves helping others and is an active member of the PALS Club. She also enjoys reading and sewing.

TOM CLACKLEY says that the best thing about teaching is the kids. "I just enjoy being around them and helping them in any way." Mr. Clackley teaches L.D. Social Studies and has been teaching for the past four years at DHS. Besides music, he likes to fish and work outside. Mr. Clackley received a B.S. from Auburn University.

JERRY COUNTRYMAN, a member of our faculty for the past twenty-two years, received his B.S. in Music Education from Jacksonville State University and his M.A. from the University of Alabama. Mr. Countryman teaches band and, in his spare time, enjoys fishing and boating.

LINDA CLEVINGER received her B.S. from Radford College and her M.Ed. from West Georgia College. Mrs. Clevinger, who has been a member of the faculty for ten years, is currently teaching Junior English. She enjoys sailing, baking, and doing needlework in her spare time.

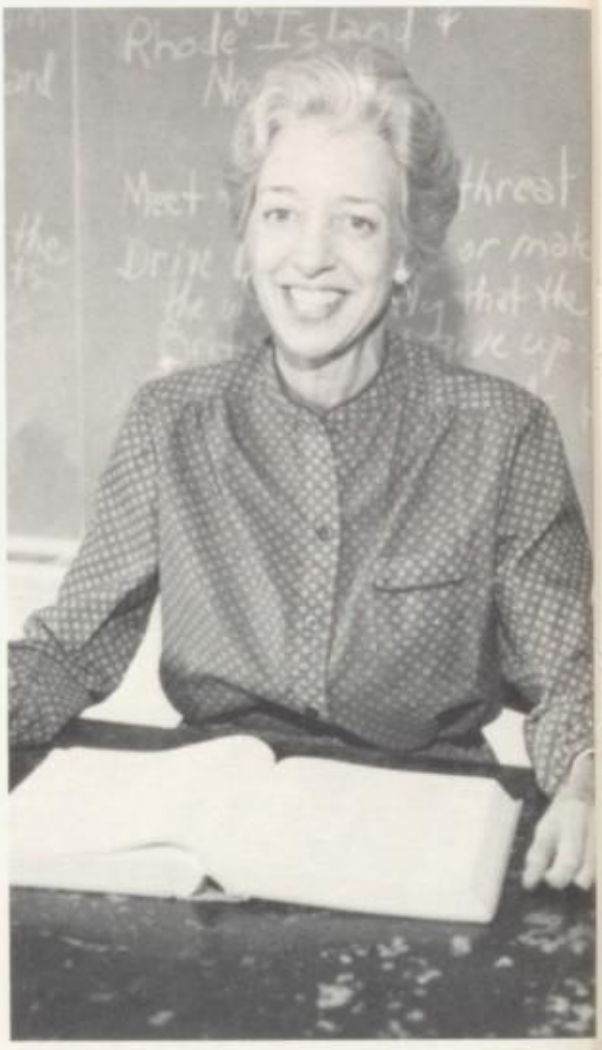
MRS. EARLENE A. COX feels that students must study hard to cultivate their minds while the opportunity is theirs. She has taught at DHS for twelve years and this year she is teaching science and mathematics. Mrs. Cox holds her B.S. from Alabama State University and her M.A. from Fisk University. She likes working with crafts and reading in her spare time.

LLOYD W. CULP has been teaching for twelve years at DHS. He holds his B.A. and B.S. from Western Michigan University and his M.A. from the University of Alabama. Mr. Culp teaches L.D. English, Math I and II, Basic Science, and U.S. History. He became a teacher, he said, because he likes to serve and contribute to others and he can do that teaching school. In his free time, he enjoys working on automobiles, photography, and woodworking.

JEAN DAVIS has her B.S. and M.A. from the University of North Alabama in Florence. Currently she is teaching Algebra II, Basic Math, and Consumer Math. Her hobbies include reading, gardening, and needlework.

THERESE CURBOW says that the number of teachers in her family could completely staff a school. "I became a teacher because it is in my blood." Mrs. Curbow has been teaching at DHS for fourteen years and this year she is teaching Algebra I, Geometry, and Career Math. She received her B.A. from Mississippi State University, and she has her M.A. and Ed.S. from UNA. Her hobbies include counted cross-stitch and reading.

MARIAN DAVIS is teaching Alabama History and U.S. History this year. A graduate of the University of Alabama with a B.S., Mrs. Davis became a teacher because she loves working with young people. Her hobbies include reading, traveling, sewing, and counted cross-stitch. Mrs. Davis was most embarrassed the day her first period class, led by Laura Stone and Sandy Childers, surprised her with a "gift" for their Aunt Matilda. "I was so embarrassed that you will have to ask someone who was there to tell you how I became Aunt Matilda and what the gift was!"



KATHY DODD is teaching Basic Foods, Basic Clothes, Foods and Nutrition, and Child Care this year. She received her B.S.E. from Memphis State University and has taught at DHS for six years. Mrs. Dodd says that with an education as a top priority, one can achieve anything. Her hobbies include needlework and sewing.

WANDA DOSS is a new member of our faculty this year. When asked what she felt was most rewarding about teaching, she said, "I enjoy seeing a student learn and develop an interest in a subject, perhaps for the first time." She has her B.A. and M.A. from the University of North Alabama. Her hobbies include reading, sewing, cross-stitch, and making silk flowers.

DELL FELTS can well remember her most embarrassing moment. "It happened while I was harshly reprimanding a class for misbehaving. I tripped over a student's foot and almost fell . . . I'll never forget the awkward moment before both the class and I died laughing!" Mrs. Felts holds her B.A.E., M.S.S., and her A.A. from the University of Mississippi. She teaches World History, Government, and Economics and has been teaching at DHS for the past eight years. Her hobbies include jogging, reading, and traveling.

PATRICIA B. FISHER has taught at DHS for eight years and this year she is teaching Biology and Zoology/Ecology. She received her B.S. and M.A. from the University of North Alabama. In her spare time she enjoys playing the piano, studying French, and sailing. When asked how we could improve DHS, she replied, "By arranging classes much like a college, with major subjects meeting only three or four times a week."

DOTTIE FULLER has taught at DHS for three years. This year she is teaching Algebra II, Computer Science, and General Math. Outside of school, she likes spending time with her children. Mrs. Fuller received her B.S. from Athens State College. She finds that the most embarrassing thing to happen to her occurs every six weeks — she has to see her daughter's report card.

NINA FRANKLIN received her B.S. from Auburn University. Her hobbies are walking and reading. Mrs. Franklin feels that most of the students at DHS are cooperative and fun to teach. She has been teaching Physical Education for the past nineteen years at DHS.

JANE GARGIS has worked at DHS for three years as a member of our office personnel. When she isn't working in the office, she spends her time with her family and enjoys sports and needlework.

JIMMY GRAMMER is teaching health and science this year. He received his B.S. from the University of Alabama. He became a teacher, he says, because he wanted to go into coaching; he has been at DHS for nine years fulfilling his dream. In his spare time Coach Grammer likes to hunt and to fish.

CATHERINE GRUBBS holds her B.A. and M.A. from the University of Alabama. She has taught at DHS for two years; she teaches French and this year she is also the cheerleading sponsor. Mrs. Grubbs says that most of the students at DHS are friendly and cooperative, highly motivated, and responsible. In her leisure time, she enjoys scuba diving and traveling.

JO ANN HARVEY says that she chose to become a teacher because it seemed to be the ideal profession for a woman with a family. She received her B.A. from Samford University. She is currently teaching Junior and Senior English. In addition, she sponsors the *RAIDER'S DIGEST*. Besides taking care of her family, she enjoys reading, cooking, and jogging. Mrs. Harvey has taught at DHS for sixteen years.

RICHARD E. HENRY, who has been a member of our faculty for fifteen years, teaches Chemistry and General Science. He received an A.B. from Miles College and an M.A. from Alabama A & M. In his free time he likes to watch all sports and read.

MARY NICHOLS HICKS received her B.S. and her M.A. from the University of Alabama and her A.A. from UAB. This year she is teaching Basic Business and Typewriting I. Mrs. Hicks says that the most rewarding thing about teaching is that every day is new and different because the students are unique. Her hobbies include collecting antiques, reading, walking, and horticulture.

DAVID KILPATRICK received his B.A. from Athens College and his M.S. from the University of Alabama. He is currently teaching World History and U.S. History. His hobbies include duck hunting and bass fishing. Mr. Kilpatrick has been teaching at DHS for eleven years.

SONJA HOLLADAY holds her B.S. from UNA and her M.A. from UAB. This year she is teaching Physiology and Biology. Her hobbies are bicycling, jogging, and gardening. Miss Holladay became a teacher because she enjoys the opportunity to associate with young people as well as to hopefully guide them to an appreciation of science. This is her fourteenth year to teach at DHS.

WILLIAM D. KIRKHAM has his B.S. from Northwestern Oklahoma State University and his M.A. from the University of Alabama. He is currently teaching Industrial Arts and Small Engine Mechanics. His hobbies include fishing, working in his garden, and woodworking. Mr. Kirkham feels that the most rewarding thing about teaching is the end of each month, Fridays at 3:15, holidays, and summer vacations. Still he must find teaching rewarding because he has taught at DHS for twelve years.

SUSANNE LACY received her B.A. from the University of Alabama in Huntsville. She became a teacher, she says, because, "I wanted to change the world." "Now," she says, "I'm satisfied just to survive." Mrs. Lacy teaches Senior English and sponsors the *GOLDEN MEMORIES* staff. She has taught at DHS for nine years.

PATRICIA LARKIN serves as our library aide and secretary. She says that she enjoys very much working with the faculty and students at DHS. Mrs. Larkin has worked here for four years. Outside of school she enjoys needlework, reading, and collecting antiques.

EFFIE LEE's advice to students is to strive to become educated in the sense that the English essayist John Henry Newman defined "The Educated Man." A graduate of Florida Southern College with a B.A., she is teaching Spanish I and Senior English. Outside of school she operates a china and gift shop and enjoys traveling. Mrs. Lee has taught at DHS for twelve years.

LINDA SANDERS LEE has her B.A. from the University of Montevallo. She has taught at DHS for nine years and is presently teaching Art I, Drawing/Painting, Ceramics/Crafts, and Geography.

(Right) MRS. EDWARD L. LEONARD has been teaching at DHS for fifteen years. This year she is teaching Alabama History, Business Education, and General Business. In her spare time she likes to work in the garden, to do needlework, and to fish. Her most embarrassing moment was one when she asked Coach Glover to stop making so much noise in the hall because she thought he was a student. Mrs. Leonard received her B.A. from Athens State College and her M.S. from George Peabody College.

LARRY MATTHEWS, who has taught at DHS for two years, is one of our Special Education teachers. Mr. Matthews holds his B.S. from Alabama A & M. His advice to students is to become great leaders and to represent DHS as one of the best schools in the state of Alabama. He enjoys fishing, horseback riding, tennis, and baseball in his free time.

MARY JEAN MEADOWS is our devoted bookkeeper. She has worked with us at DHS for sixteen years. When she is not keeping the books and records straight, she enjoys sewing and cooking.

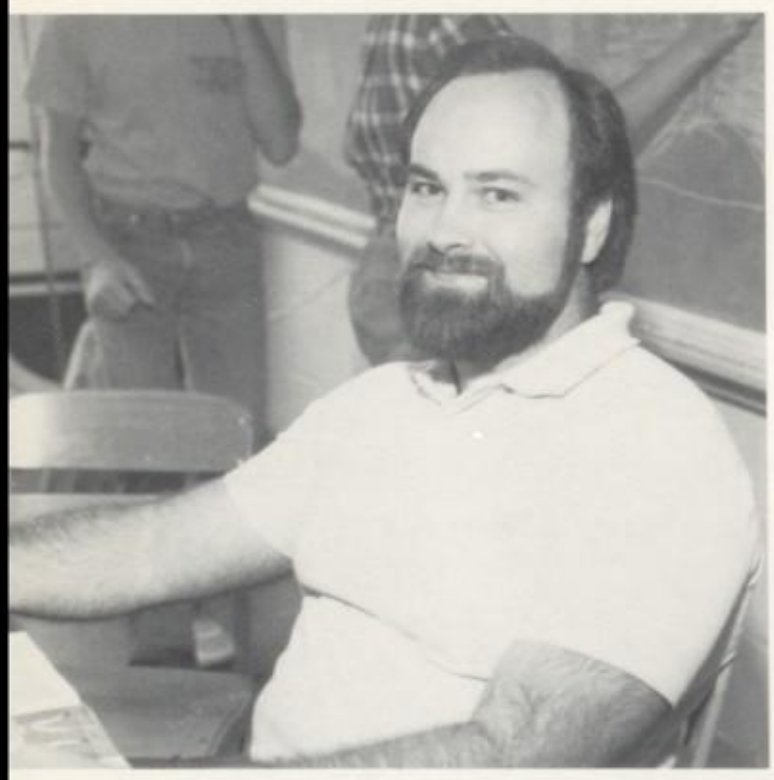
PATRICIA K. MITCHELL serves as our Senior counselor. She received her B.S. from Athens College and her M.S. from Southern Illinois University. She has taught and counseled at DHS for twelve years and says that the opportunity to be part of the students' lives and to try to contribute to their world in a positive way has been her best reward. Her hobbies are sewing, reading, gardening, and traveling.

FRED K. MORGAN has been teaching at DHS for fourteen years. He holds his B.S. from Middle Tennessee State University and his M.A. from George Peabody College. This year he is teaching U.S. History and Alabama History. Mr. Morgan enjoys canoeing, bicycling, and genealogy in his spare time.

EARL MORRIS has been teaching Physical Education for twenty years. He has his B.S. from Jacksonville State University and his M.A. from George Peabody College. Coach Morris became a teacher because he wanted to coach basketball. His hobbies include golfing, farming, and the Army Reserve.

BETTY MORRIS, a familiar face in the library, has worked at DHS for eleven years. She holds her B.A. from the University of North Alabama and her M.L.S. and Ed.S. from the University of Alabama. Outside of school, she likes painting, reading, and needlework. Mrs. Morris feels that teaching is rewarding when you see a student several years after graduation and he tells you that you made a difference in his high school experience.

OLGA MORRIS became a teacher because, she says, "teachers have lots of class!" She received her B.S. from the University of North Alabama and is presently teaching Physical Education. Mrs. Morris has been a member of our faculty for the past seventeen years.



DALE PERRY has been teaching Driver Education for three years now. When asked why he became a teacher, he replied, "I enjoy working with young people." So far he has found it to be a most rewarding and satisfying experience. Mr. Perry received his B.S. from the University of Montevallo. Outside of school, he is a sportsman. He also likes to read and to listen to music.

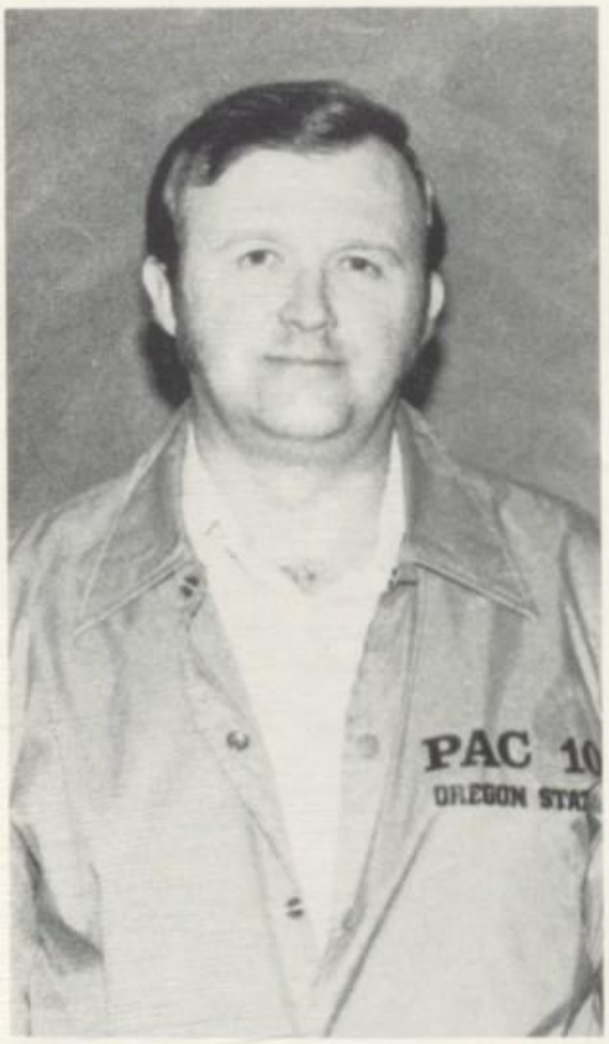
SARA MORRIS, who received her B.S. from Jacksonville State University and her M.Ed. from Alabama A & M., is presently teaching Typewriting, Shorthand, and Accounting. Outside of school, she enjoys reading and needlework. Mrs. Morris' advice to students is to get a good education, study hard, and do your best. She has been teaching at DHS for fourteen years.

GLENDA PENTECOST has her B.S. from Athens College and her M.Ed. from Alabama A & M. A member of our faculty for the past twelve years, Mrs. Pentecost is currently teaching Business Office Education.

DIANE RAPE received her B.S. and M.A. from the University of North Alabama. This is her third year as a counselor at DHS. When she's not busy, she likes to swim, cook, and do needlework. Mrs. Rape's first year at DHS was memorable when she asked for a personal leave day and the request was rejected without a reason. Later, she learned that Mr. Milner had said no because the day she wanted off was already a school holiday.

JERLENE RATHER holds her B.S. and M.A. from Alabama A & M University in Special Education and has been teaching in this capacity for the past nine years. Her advice to students is, "Gather the fruits of knowledge while the field is ready, lest autumn comes and you are unprepared." Mrs. Rather enjoys reading and sewing in her free time.

STEVE RIVERS received his B.S. from Mississippi State University. He teaches Physical Education and has taught at DHS for eight years. Coach Rivers thinks that overall the students at DHS are some of the finest anywhere.



ROY TURNER is another new teacher at DHS who is working with Mr. Perry in the Drivers Education Department. He became a teacher because he enjoys working with young people and as a Driver Education teacher, he hopes he can make lives more safe and enjoyable. Mr. Turner holds his B.S.E. from Athens College and his M.Ed. from the University of Montevallo.

SHERRY SAMPSON's advice to students is, "Enjoy your high school years but don't waste opportunities given to you every day." She is presently teaching Sophomore and Junior English. Her hobbies include cooking, sewing, and needlepoint. Mrs. Sampson holds her B.S. from the University of Alabama. She has taught at DHS for four years.

MICHAEL SMITH feels that teaching is rewarding because he is able to contribute to the success of young peoples' lives. Coach Smith, who coaches the girls' basketball and softball teams, teaches U.S. History, Economics and Government. He has taught at DHS for nine years. Coach Smith received his B.S. and M.S. from Jacksonville State University.

(Left) LINDA TEDDER has been teaching at DHS for thirteen years and is currently teaching World Geography, Sociology, and Psychology. She has her B.S. from Florence State College and her M.A. from the University of Alabama. In her spare time she likes to do needlework and to grow roses.

JOE M. WALDON is teaching Algebra II, Geometry, and General Math this year. He has his B.A. from Auburn University and his M.Ed. from the University of Montevallo. Mr. Waldon has been teaching at DHS for six years.

JO ANN TURNER is our records clerk. She has worked at DHS for six years. Outside of school, she likes to swim.

SHELIA THISTLE received her B.S. from the University of Alabama and is presently teaching Freshman English. Her advice to students is to take advantage of the high school years because these are the "good old years." Mrs. Thistle has been teaching at DHS for thirteen years. Her hobbies are reading, cross-stitch and sports car racing.

PAT WEATHERS is a new teacher at DHS this year. She is currently teaching English and Latin with some Roman Mythology. Graduating from Mississippi University for Women with a B.A., Mrs. Weathers feels that the most rewarding aspect of teaching is being with the students. In her spare time, she likes traveling, reading, and photography.

MIKE WARD, teaching General Science and Physical Education this year, is a graduate of the University of Alabama. He has been teaching at DHS for four years. Coach Ward says that the students need to be friendly and wear a smile because things will go much better for you. In his spare time he likes fishing, golfing, and tennis.

NANCY WORLEY has been teaching at DHS for eleven years. This year she is teaching Senior English as well as Sophomore Speech and Literature. When not participating in AEA activities, she enjoys traveling, dramatics, and collecting dolls. Miss Worley became a teacher because she likes people and she feels that teachers are the most influential individuals on the future of those who will populate tomorrow's world. She has her B.A. from the University of Montevallo and her M.A. from Jacksonville University.

LUKE LANEY, our Maintenance Supervisor, is a familiar face at DHS. Mr. Laney says that he likes his job, particularly because there is something different to do every day and he is never bored. In his spare time, Mr. Laney enjoys reading and shooting pool.

BOBBY WIGGINTON tells us that he chose teaching for the fabulous money that is earned! He said that he had thought of becoming a comedian or a professional athlete, but he couldn't make as much money as he does now. Mr. Wigginton holds his B.S. and M.A. from Athens College and is currently teaching Trade and Industrial Cooperative Education. He has taught at DHS for seven years.

RANDY WHITE is currently teaching Health and Physical Education. He holds his B.S. from the University of Montevallo and his M.A. from UAB. Coach White feels that the students need to develop a more positive attitude towards all phases of school life – and life in general. In his spare time he likes fishing, hunting, and coaching. He has taught at DHS for three years.

'Tis Time

Sooner or later every Junior must face the reality of writing research papers. The "deadly weapon," that we've anticipated for two years, finally stares us in the face.

Juniors, eager to get started on their research papers, race to the library to look for topics and needed sources. One student said, "The hardest part of writing a research paper is deciding what to write about." Some topics that students have selected have ranged from child abuse to anorexia nervosa to the Mafia. "Some students admit that they really learn something from their research papers," said Mrs. Clevinger, a Junior English teacher. Then she added, "So do I."

Top Magazine Salesmen

The Junior's magazine sales began on October 4, 1982, and were concluded on October 18. During this time a total of 722 magazines and 149 records were sold for a total of $10,725 collected.

Seth Adams and Susie Crosswhite were the top salesmen. Seth sold 26 magazines for a total of $428.69 and Susie sold 35 magazines for a total of $381.51.

"Our sales went slowly at first, but this Junior Class came through beautifully," said Mrs. Biggs, Junior Class sponsor. Although Mrs. Biggs had to use her planning period to get things arranged, she said, "It was worth it to see the class do so well. I got to see a different side of the students that often does not surface in the classroom."

Here Today? Gone Tomorrow!

Many different styles were seen around Decatur High School this year. New Wave music was popular and with it came some way-out fashions. One style that was eye-catching was the mini-skirt. Although most students don't ride horses to school, the Western look was back again with accessories such as boots and bandanas. Also back this year was the preppie forever in his loafers, button-down shirt and plaid pants. One fad that was short-lived was the Mohawk hairstyle. Thank goodness fads don't always catch on!

Shakers, Balloons, and Crepe Paper

The spirit at DHS was overwhelming this year. The pep rallies were outstanding and the crowd participation was great! The Juniors managed to win the spirit award the most this year during class competition, but the other three classes were right behind them cheering the mighty Raiders.

As a result of the hard work of the Student Council, many special days were set aside and everyone got into the spirit of school activities. The excitement of Homecoming and the Blood Drive was spread with the competition of decorating first period rooms. Coach Smith's first period proved their support by winning first place at Homecoming, and they were tied with Mrs. Brown's first period the week of the Blood Drive.

Washington Down Home

On October 12, 1982, Senator Howell Heflin visited Decatur High and proceeded to conduct a "town meeting." Senator Heflin first discussed his opinions in an opening speech. He felt that the U.S. should try to maintain good foreign relations and he also expressed his concern over the Soviet Union and the possibility of a younger leader when Brezhnev died. He felt that a younger man would not be as conservative and this might result in more serious problems. After his speech he opened the floor for questions. One question dealt with prayer in schools. Senator Heflin supported school prayer on a voluntary basis. In another question concerning student loans, Senator Heflin said that he voted against the President's student loan bill. In closing, Senator Heflin left the audience with a motto for all Americans. He said that in order for America to be great and strong again, we all need to develop an attitude that "America isn't going to fail because of me."

A Stroke of Genius

Over the past few years, several Decatur High School classrooms have undergone some unusual changes; the walls have been transformed into pictorial representations. These "labors of love" have been attempts by Art Club members to brighten the walls of our classrooms.

The following artists contributed their talents: Kitty Caddell, James Caudell, Crystal Bacchus, Eric Millette, Bruce Blackard, Jerrie Ewell, and Donald Dickey.

The murals present a challenge to future artists. Hopefully at some near date, each classroom will depict its own story.

Mr. and Miss Decatur High School

BECKY YORKS was elected as Miss DHS for 1982. Becky has been a class favorite, a Key Club sweetheart, and an alternate to the Homecoming Queen. Her liveliness and school spirit shine through as she cheers our Raider teams on to victory as a member of the varsity cheerleading squad. Becky's all-around personality makes her truly worthy of representing Decatur High School.

WADE WILSON was chosen to uphold the honorable title of Mr. DHS this year. Wade is a fine athlete, actively participating as a member of the Decatur Red Raider Varsity Football Team. He is a member of Key Club and has been elected to Who's Who's for Best School Spirit. Wade is known for his joking and carefree manner — making him a favorite of all.

1982 Homecoming Queen

Lovely Miss LISA SIMS took the throne as Queen of the 1982 Homecoming Festivities. Serving as a class officer and captain of the varsity cheerleading squad, Lisa has always supported DHS. She has been a class favorite, a Key Club Sweetheart, as well as an Outstanding Senior. Lisa is a member of "D" Club, Phi Sigma Alpha, and the National Honor Society. Lisa's sunny disposition and lively spirit have made her the "royal" choice for Homecoming Queen.

DAR Good Citizen

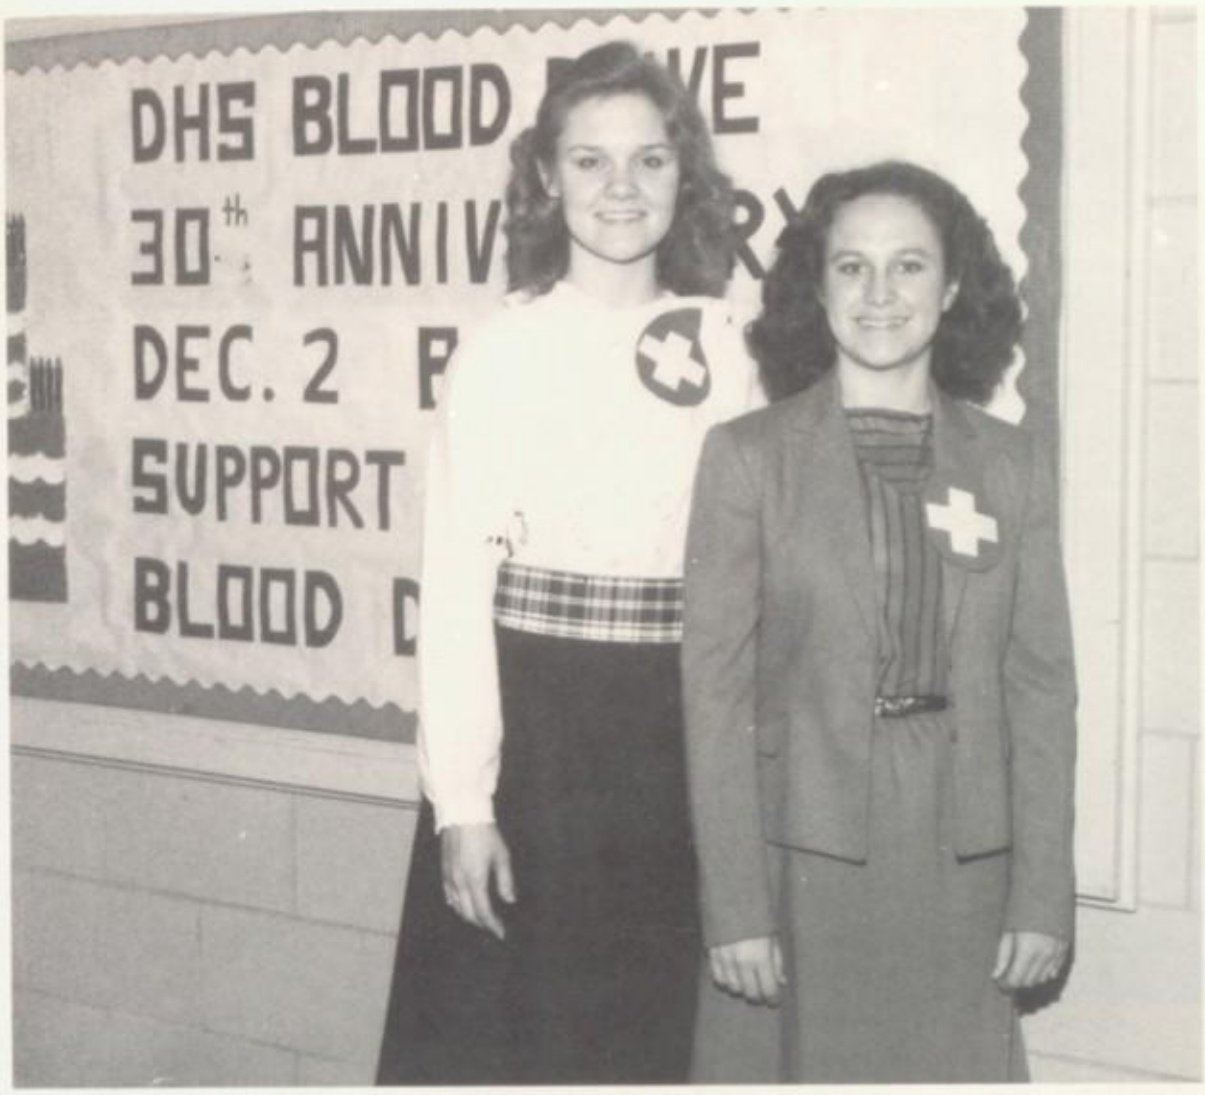
DANNY BEGGS was chosen as the DAR Good Citizen for 1982. He was judged on the qualities of patriotism, dependability, leadership, and service. Danny, acting as President of the Senior Honor Society and having been elected Class Favorite by his peers and Outstanding Senior by his teachers, is a worthy recipient of this honor. The award is sponsored by the Stevens Chapter of the American Revolution.

Hugh O'Brien Youth Leadership Award

ELLEN COFFEE was this year's choice for the Hugh O'Brien Youth Leadership Award. Ellen was judged on her leadership ability, including service, character, and scholarship. She has proven herself worthy of this award by serving as an officer of Junior Honor Society and a member of the Volleyball B-Team. Ellen's admirable dedication and versatile ability indeed make her a leader among her peers.

Boys' and Girls' State Representatives

LEE ANN DEPOYSTER and STUART COUNTESS were chosen by faculty members to represent Decatur High School at Boys' and Girls' State. They were chosen on the basis of their achievements in leadership, service, character, scholarship, and cooperativeness. The Boys' and Girls' Program is sponsored by the American Legion. It is designed to allow high school students to participate in government functions.



Blood Drive Leaders

Under the guidance of Mrs. Rape, CINDY CLABORN and SUSAN DEMOSS served as Co-Chairmen of the 1982 DHS Blood Drive. Their dependability, determination, and high spirits were clearly visible by the success of the event. Even though our goal was not reached, Cindy's and Susan's hard work brought together students, volunteers, and community donors to collect 789 pints of life-saving blood for the Red Cross.

El Circulo Espanol

In El Circulo Español, the year has been filled with many enjoyable activities. Club members prepared and ate typical Spanish snacks like galleticas del Dia de los Santos y momias at their meetings. They also sponsored two needy families for Christmas.

Plans for the spring include the participation of six outstanding students in the National Spanish Exam in March. A banquet with all Spanish dishes will complete the club's activities for this year.

French Club

This Christmas was one of the club's busiest times of the year. In addition to sponsoring a child for Christmas, they attended a Fète de Noël with Austin's French II Club. Club members gave their full support to the Raiders this year by having both a truck and a car in the homecoming parade.

Making Valentine's for teachers is another planned activity of the French Club. Club members also look forward to attending a French Convention in April.

RAIDERS IN ACTION

RED RAIDER FOOTBALL 1982

DECATUR VS. HARTSELLE

Electrifying is a good word to describe the mighty Decatur Red Raiders in their first game against the highly regarded Hartselle Tigers. They had been waiting since last year's game against Hartselle to show the Tigers just what they were made of. With the dynamic performance of sophomore Craig Shackelford, they dominated the Tigers in a thrilling game, 22-16.

Early in the game, Hartselle jumped ahead 13-0 over Decatur. Early in the second quarter, after Hartselle's last touchdown, Shackelford returned a kickoff on our 10-yard line and, showing his speed, veered down the field for our first score.

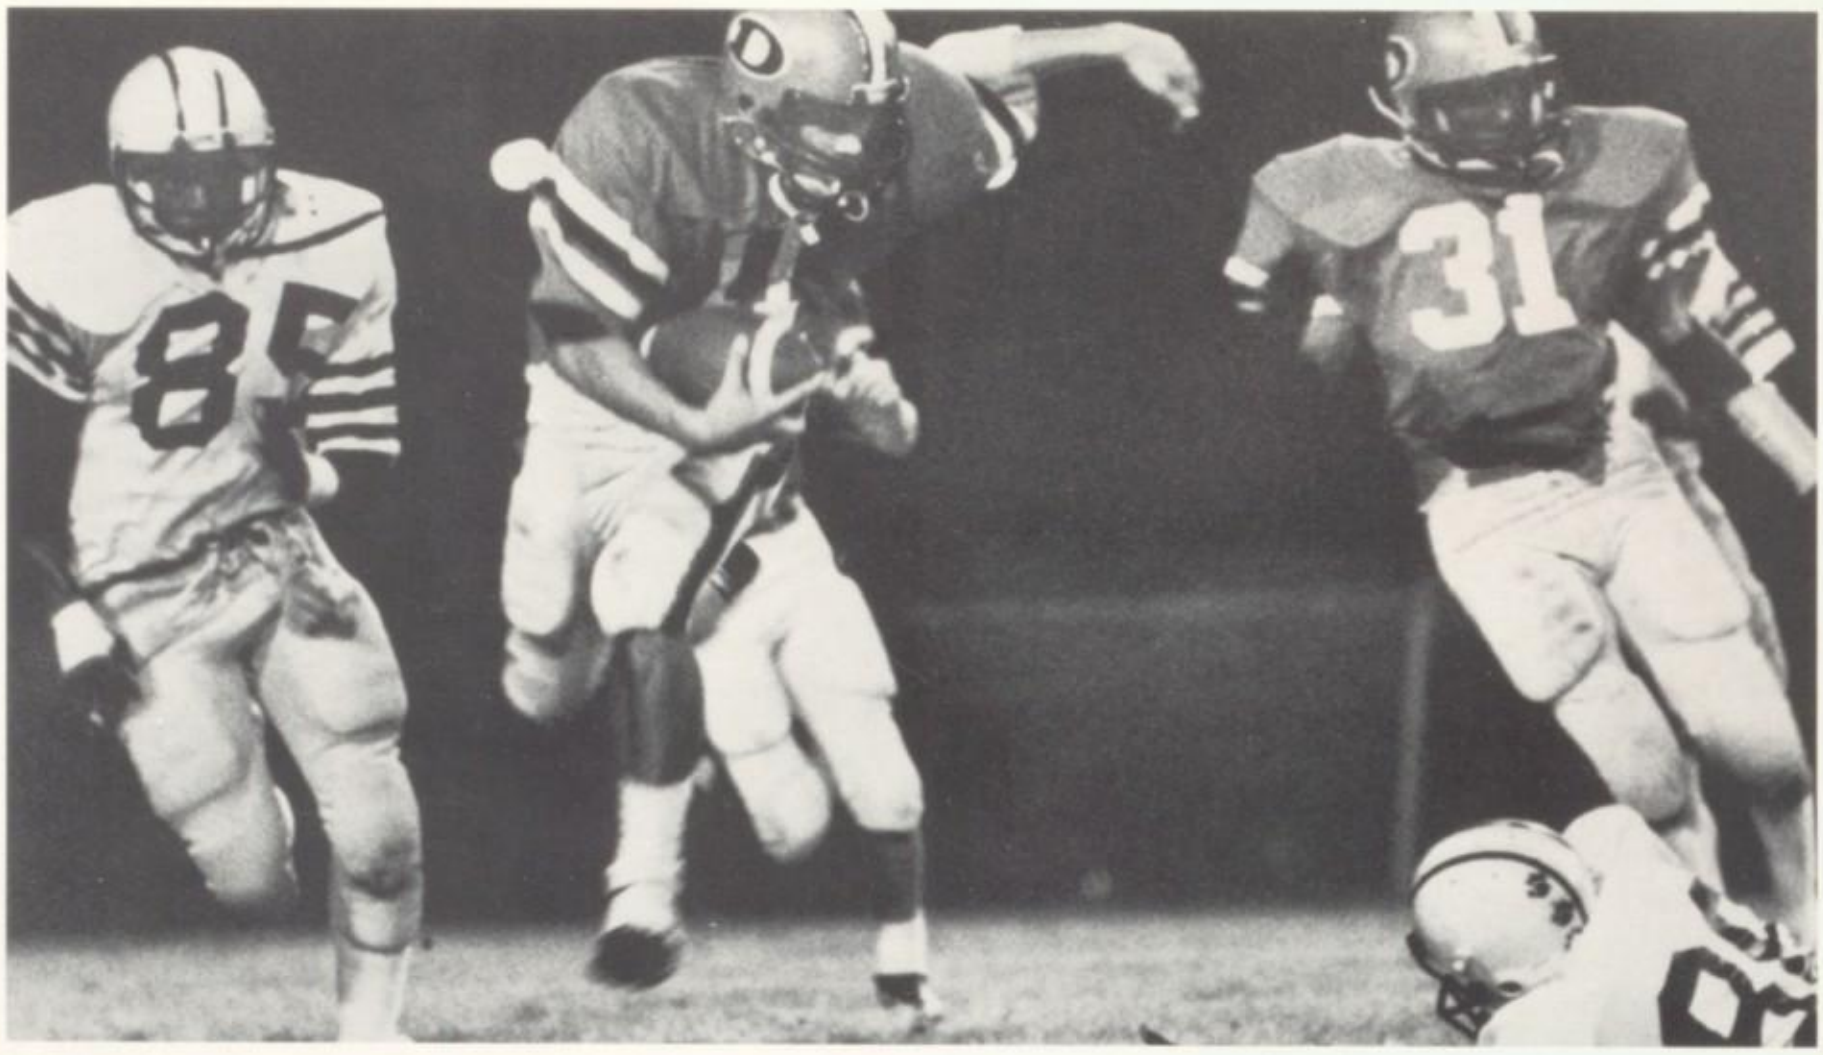
With one second remaining in the first half, quarterback Danny Wolter passed to Shackelford on Hartselle's 20 and we tied the score 13-13.

The Red Raiders had caught the smell of victory and, in the second half of the game, forced their way down the field for the final touchdown. Wolter passed to Buford for a two-point conversion and a tremendous victory for the Red Raiders.

DECATUR VS. BRADSHAW

The Red Raiders came out on top with a heart-stopping win over the Bradshaw Bruins. The game had been a Bradshaw show most of the way with the Bruins doing most of the damage offensively.

Although the first quarter was scoreless, the Raiders bounced back in the second quarter as Craig Shackelford scored. The Bruins came marching back with their own scoring drive and moved ahead of the Raiders 12-7. With just over a minute to play, Decatur couldn't have been happier when Bradshaw elected to punt. Felix Hampton caught the punt and raced to the end zone. The 2-point conversion on a pass from quarterback Danny Wolter to Perry Buford in the end zone clinched a 15-12 victory for the Raiders.



DECATUR VS. ATHENS

Controlling the line of scrimmage was the Raiders' weak point when they went up against the No. 10-ranked Athens Eagles. The Eagles, one of the most physical teams Decatur played this year, shut them out 14-0.

Athens controlled the ball for most of the first half, scoring their two touchdowns of the game. In the second half, the Red Raiders played like a different team defensively by containing the Athens offense the rest of the game. Decatur's strongest period was the third in which they out-rushed Athens 81-21 yards and had five first downs to none for Athens.

DECATUR VS. GRISSOM

Grissom was the culprit as the Tigers handed Decatur a 10-0 set-back. Both teams started sluggishly. Throughout the first quarter, neither offense could get untracked and the punters had practice time.

In the second quarter, the Red Raiders gained new life for the only time of the night. Decatur sustained a 15-play drive which started at the Grissom 49 yard line; however the 15 plays were for nothing. With a first down at the 5-yard line, the Raiders gained one yard but on the second down, they were called for a delay of game and the ball was backed up to the 9-yard line.

The second half of the game consisted of turnovers between the two teams. Grissom started with two plays and a fumble and Decatur retaliated with three plays, the second on which Danny Wolter was unfortunately injured. Despite the score, the Raiders put forth a tremendous effort against the Grissom Tigers.

DECATUR VS. BREWER

It was offensive football at its best as the Decatur Red Raiders and the Brewer Patriots matched explosive power, with the Red Raiders scoring 23 points in the second half to edge the homestanding Patriots 29-21. A 20-yard scamper by quarterback Felix Hampton, followed by a 13-yard run by Craig Shackelford, were the key plays in the offensive drive. Senior fullback Steve Atkins scored from two yards out, and Tim Jones added the PAT to knot the score in the first quarter. The Raiders again used the running of Shackelford and Hampton. Atkins drew the honors and drove over from the three to make a well-deserved touchdown. Brent Chandler showed his ability by making his first interception of the night. Four plays later, Archie Jones went up the middle from the 6-yard line for a touchdown.

Later, Chandler once again halted the Patriot's attempt to regain the lead as he picked off an aerial with less than three minutes left in the game. A 37-yard scamper by Shackelford took the ball to the Brewer 10. In four plays, Hampton scored from the one on a quarterback sneak. When the final whistle sounded, with a last-second Brewer bid for a comeback falling short, the Red Raiders had rolled up 261 yards rushing with Patriots getting 275 yards in total offense.

DECATUR VS. HUNTSVILLE

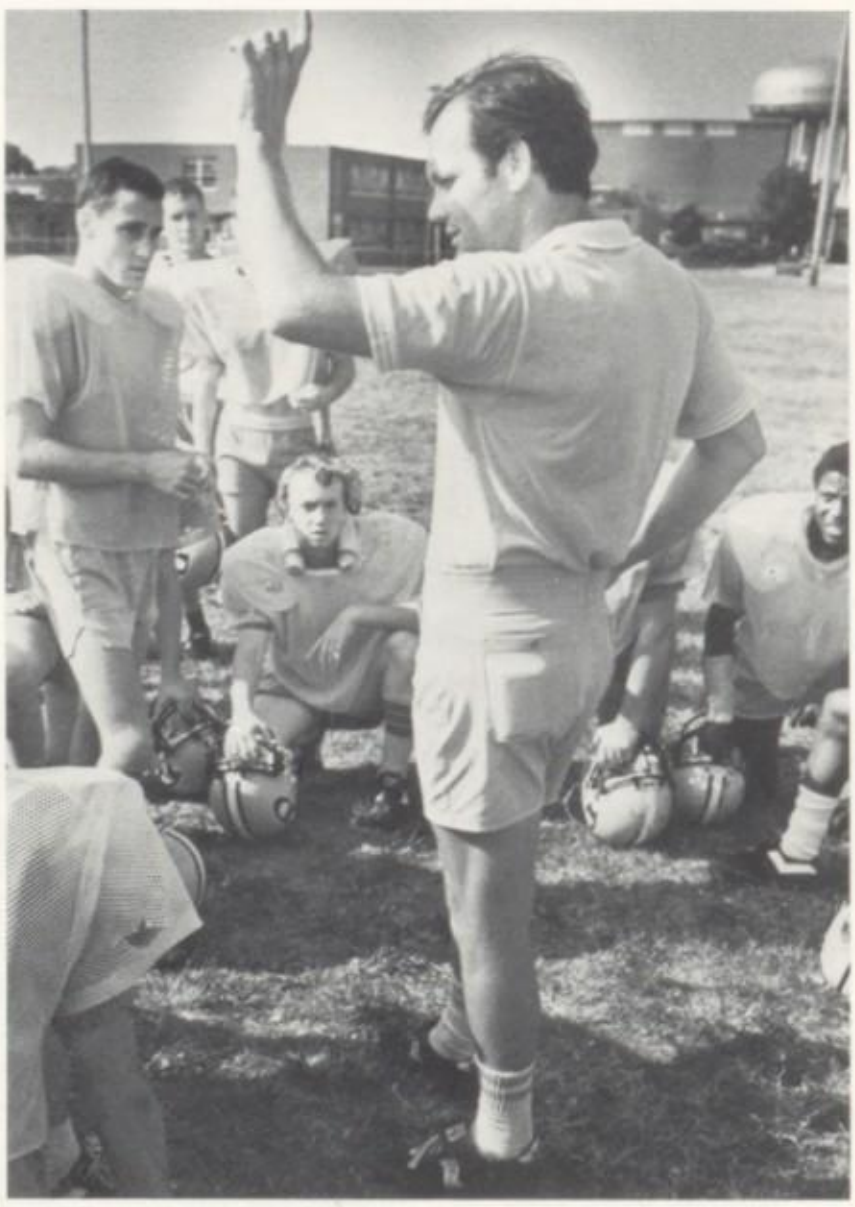
The Decatur Red Raiders were their worst enemy in a 21-6 loss to the Huntsville Panthers. Decatur owned Huntsville for the first eight minutes, driving 85 yards in 16 plays for its first score. Tailback Craig Shackelford ran 4 yards to make the touchdown. Following that, fumbles and missed tackles prevailed for the Red Raiders.

Early in the fourth quarter, Danny Wolter guided the Red Raiders from their 43 to the Huntsville 11, but a 15-yard holding penalty on a fourth-and-inches situation at the Panther 11 and an incomplete pass ended the drive. Although Decatur out-rushed Huntsville 205-118 yards and had more first downs (13-8), the scoreboard revealed a more important statistic.

DECATUR VS. SCOTTSBORO

Despite Decatur's outstanding performance, Scottsboro edged by to gain a win over the mighty Raiders. The Red Raiders scored the game's first touchdown midway in the opening quarter. Shackelford intercepted a Scottsboro pass at the Decatur 41. The Raiders then marched 59 yards in eight plays for the touchdown. Quarterback Danny Wolter ran the ball over from the 8-yard line. Afterwards, Tim Jones made a valuable kick, making the score 7-0 in the first quarter.

By the time the second half was approaching, the Wildcats were leading by a difference of one touchdown. The Raiders' determination made it possible for them to march 55 yards in eight plays for a touchdown. A Scottsboro player then booted his field goal to take the lead. Once again, Decatur played with a tremendous effort in hopes of another touchdown, but time ran out. The Red Raiders fell short by a field goal as the Wildcats took a 16-14 victory over the Red Raiders.



DECATUR VS. ALBERTVILLE

The Decatur Red Raiders outscored Albertville 32-14 for a tremendous Homecoming victory. Craig Shackelford's 62-yard touchdown run on the first play from scrimmage set the tone for the winning Raiders. Other outstanding plays consisted of fullback Steve Atkins rushing ten times for 100 yards and scoring two touchdowns while Archie Jones, who shared playing time as fullback, rushed three times for 18 yards and scored one touchdown. Quarterback Danny Wolter rushed three times for 26 yards and scored a touchdown also.

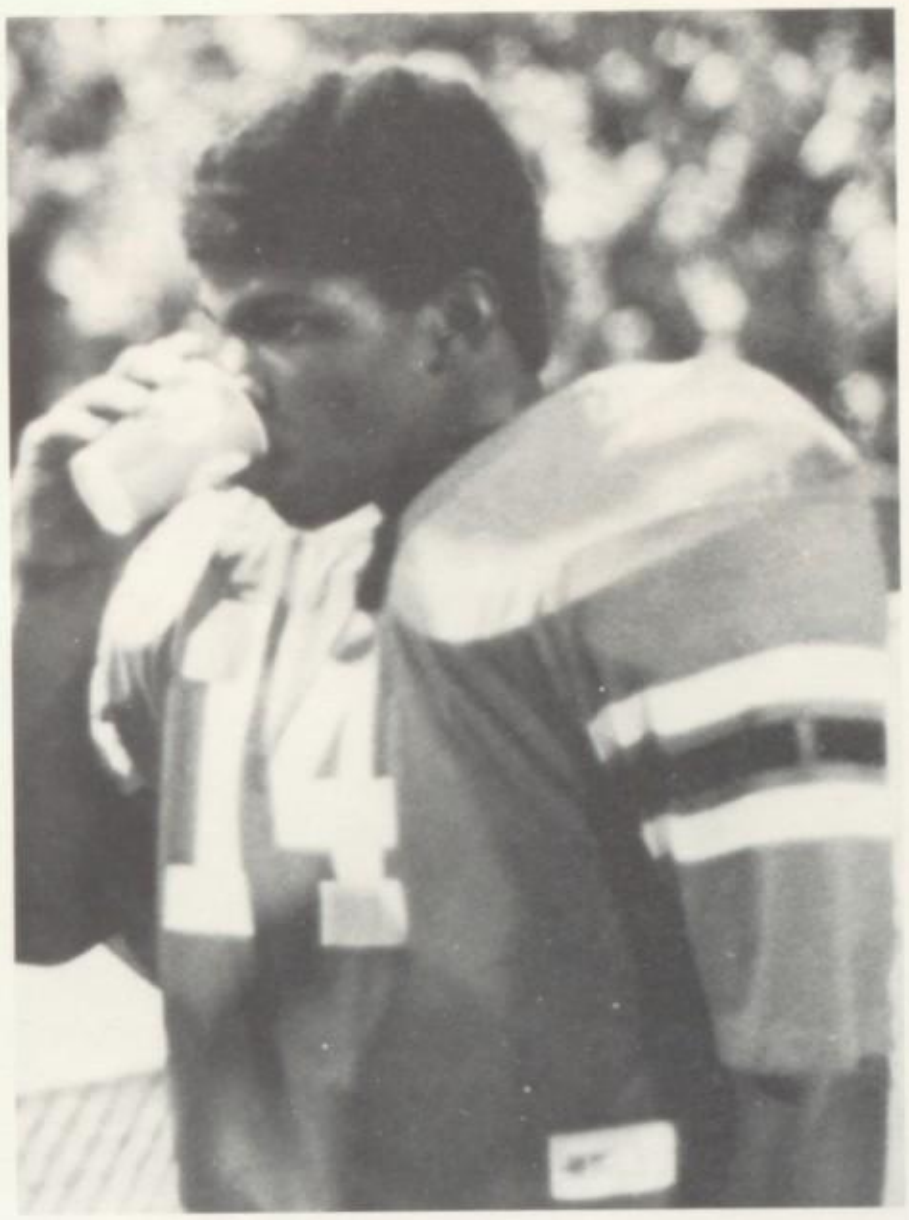
Although neither team played well defensively during the first half, Decatur made some adjustments and shut out Albertville during the second half of the game.

DECATUR VS. JOHNSON

The mighty Red Raiders put on a tremendous show for their fans when they came up against the fourth ranked Johnson Jaguars. Even though the Jags came back for the win in the second half, Decatur played with a lot of heart and gave Johnson quite a scare.

The first half belonged to the Raiders as Walter Hamlett started off the game by recovering a fumble on Johnson's first possession. As the Raiders moved down to the Jaguar 45, Craig Shackelford took a pitch and ran to the end zone for Decatur's first score. Tim Jones' extra point was wide but the Decatur fans were elated.

Later in the first period, Felix Hampton picked up a bouncing fumble and raced into the end zone. The Raiders then went for



two points but were unsuccessful, thus making the score 12-0.

Once again in the second quarter the fired-up Decatur defense stole another Johnson ball. This time Brent Chandler picked off an aerial and returned it to the Raider 22. After a strategy meeting and with 35 seconds left in the first half, the Red Raiders got their final score of the night when Archie Jones scampered down the field for a 70-yard run. Jones then made the two-pointer to end the half 20-7.

Johnson's first score was in the second quarter when they ran for a TD and then punted the extra point. Early in the second half, the Jags scored on an aerial and then narrowed the margin with the extra point to 20-14. With 2:30 remaining in the game, the Jaguars sent the game into overtime by tieing the game with a touchdown, but their extra point was wide. Johnson's winning score resulted when the Raiders failed at their first attempt to break the deadlock. Three plays later, the Jaguars went over from the Raider two, giving them the victory 26-20.

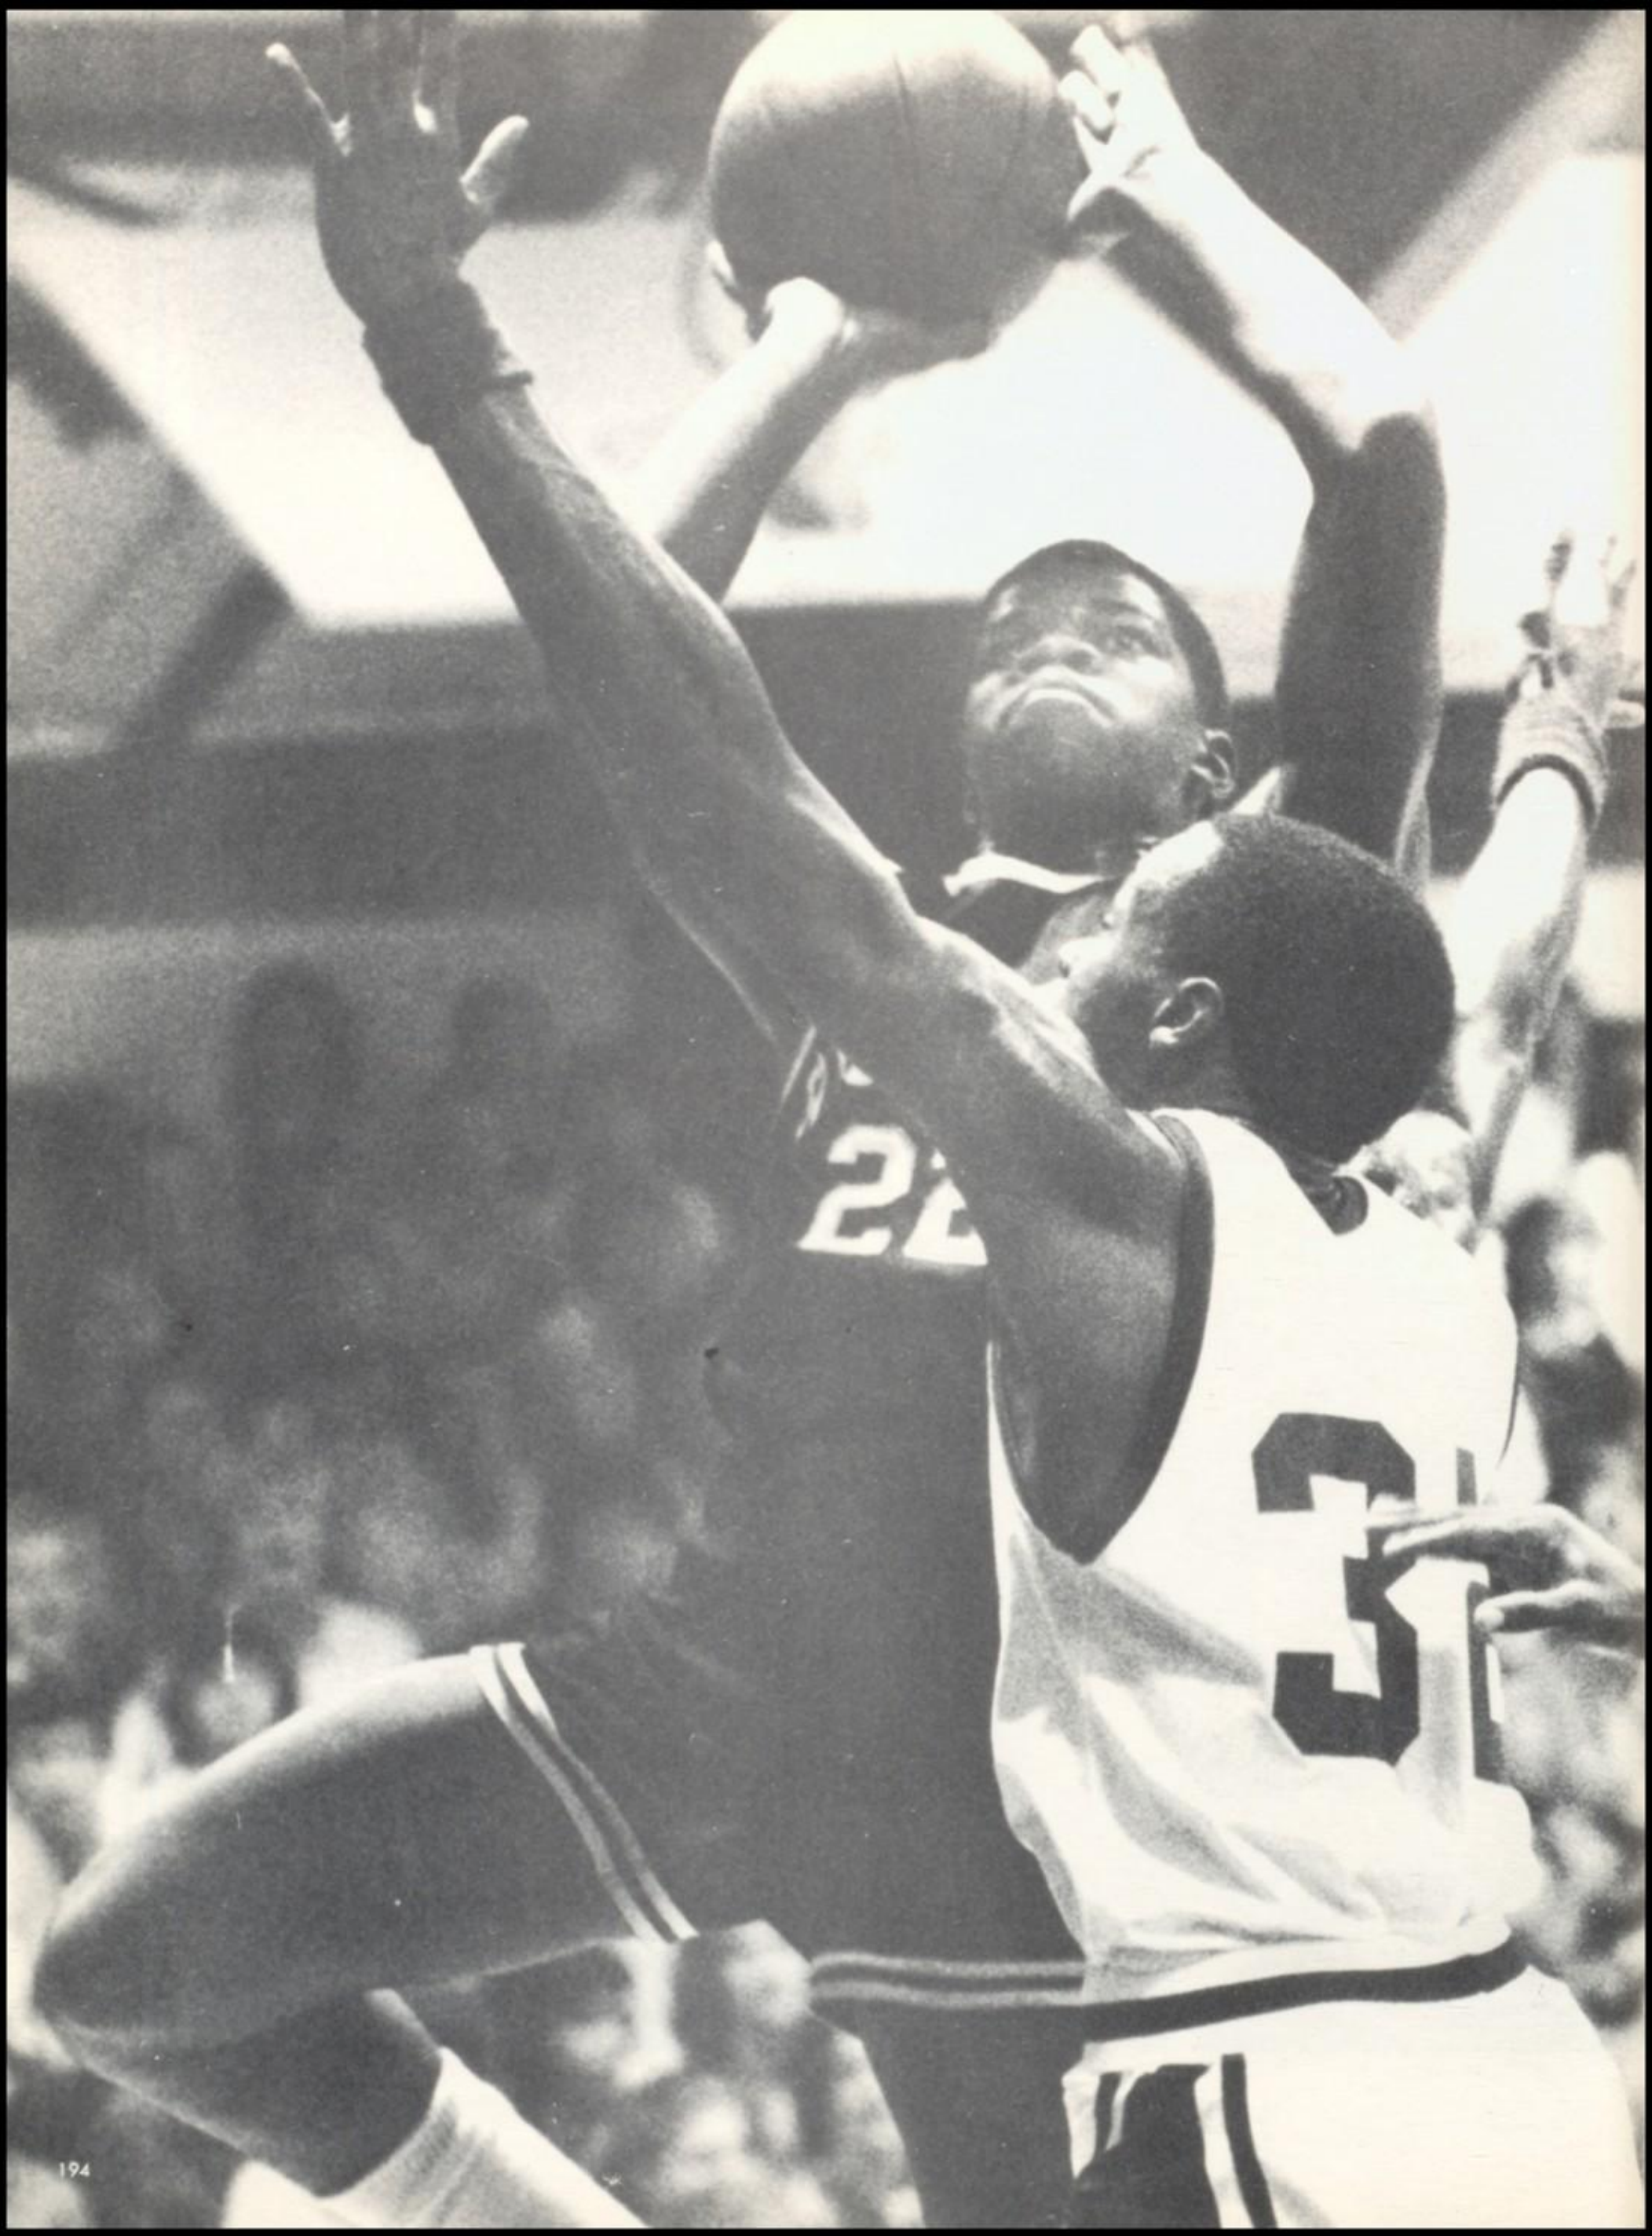
DECATUR VS. AUSTIN

Tradition — that's the word to describe the Decatur-Austin game. Fans always pack the stands to see the exciting, highly emotional show between the two rivals. For the past ten years Decatur has had the reputation of being the city champs. This year and the last, in spite of the fact that they have put forth great effort, Decatur has fallen short of the cross-town Austin Black Bears.

Decatur's crucial mistakes cost them the first half and, in the end, the game. Austin began the ballgame by scoring on their first possession and they continued scoring, leading to a devastating 26-0 score at the half.

With 2:33 left in the fourth quarter, reserve quarterback Felix Hampton raced 50 yards for Decatur's only touchdown of the game.

A two-point conversion shortened Austin's lead to 39-8.



BASKETBALL

Shooting for No. 1

The 1982-83 basketball season has been a highly successful year for Head Coach Earl Morris and his Decatur Red Raiders. Decatur achieved the number one position in the state, and were able to stay in the state rankings throughout the season. This is the first time in over a decade that Decatur has reached that coveted pinnacle.

The success of the Decatur Red Raiders is reflected by their outstanding record. The benefit of talented returning starters, a balanced scoring attack, and experience in tournament action attributed to the success of the team. Most importantly the Raiders have good team composure in close games and great leadership both on and off the court.

Decatur opened their great season by winning the Montgomery Tip-Off Club Tournament. Decatur eased through one of the toughest schedules with the highest winning percentages of a Decatur team in several years.

Another Decatur milestone was reached this year. Coach Earl Morris achieved his 500th career win in his 28 years of coaching. Morris stated that the success of this year's team depended chiefly in their quickness and oneness. The Decatur Red Raiders will always be number one in our hearts.

Varsity Cheerleaders

The 1982-1983 Varsity Cheerleaders have shown their enthusiasm and spirit throughout the entire year.

This summer the cheerleaders attended the International Cheerleader Foundation Clinic at Auburn University. They competed with fifty other squads; therefore, the competition was tough. But the cheerleader's practice paid off as they were chosen to be the number one Grand Champion Squad, which provided the opportunity to compete on the national level. They also won the spirit award and eight other ribbons.

Decatur High School is extremely proud of this year's squad that worked so hard to boost our school spirit.

After losing three all-region players, the 1982-83 Lady Raider Basketball Team went through a re-building season. The team started the season having only three players with varsity experience. The top player, Dana Wilhite, was lost early in the season due to an injury. The Lady Raiders, who probably played the most difficult schedule in the state, never quit; they played their hardest to the end.

Girls' Volleyball Team

The 1982 season was one of growth and education. A young and inexperienced team took the floor in September. By Region tournament time in October, however, the team had learned some valuable lessons. Ending with a record of 21-21, the Lady Raiders improved their mid-season record of 7-15. They finished third in T.V.C., third in Region, and second in the county tournament.

Seniors Dana Wilhite, Beth Burns, and Sandra Segars served as co-captains for the season.

LIVING

A mischievous leprechaun once said, "search for the pot-of-gold at the end of the rainbow."

Many people have strived to find that pot-of-gold

unaware that riches could be found within the rainbow itself.

DHS ———thriving with **COLOR,** diversity, enthusiast

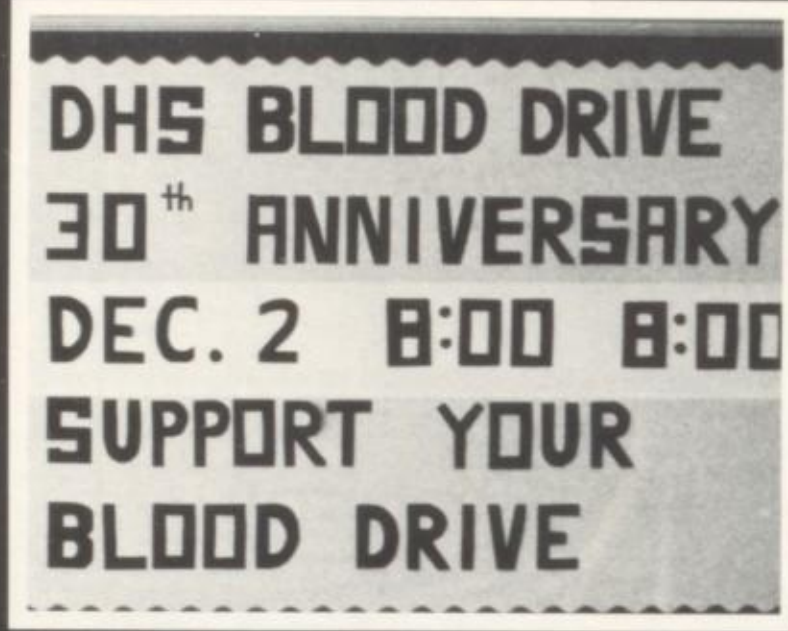
meant something different to us; however red had special meaning.

It symbolized the school colors and the **PRIDE**

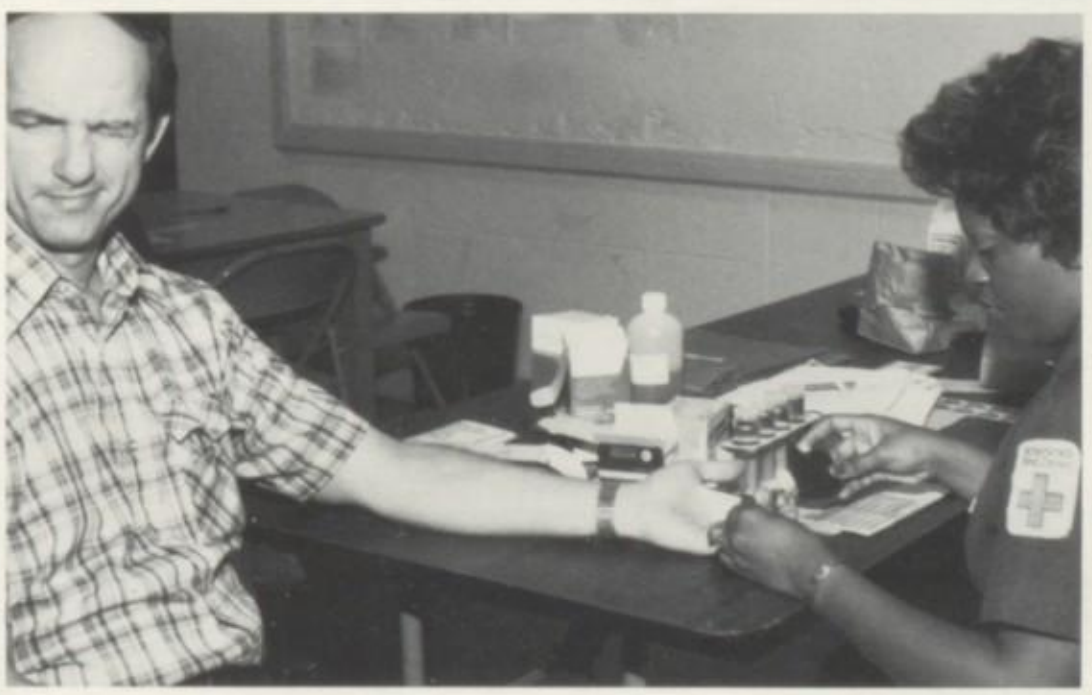
we held in our school. The students' wild chanting of "Go Big Red" symbolized unity and school devotion.

BLOOD DRIVE

Although we didn't reach our goal, the students here at DHS felt that the was very successful. Much preparation and hard

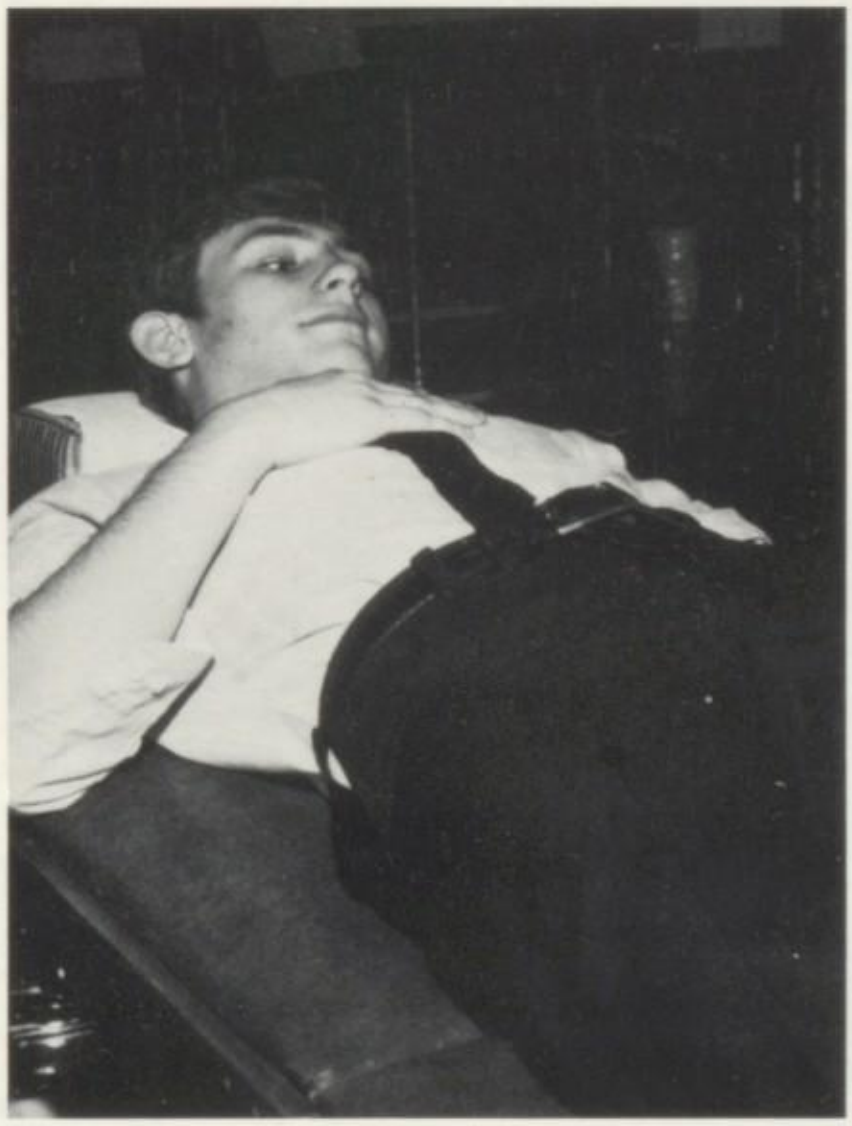


work was the key to its success. The participation of the student body was evident throughout the school and community. Homerooms were decorated, posters were hung, and people were telephoned.



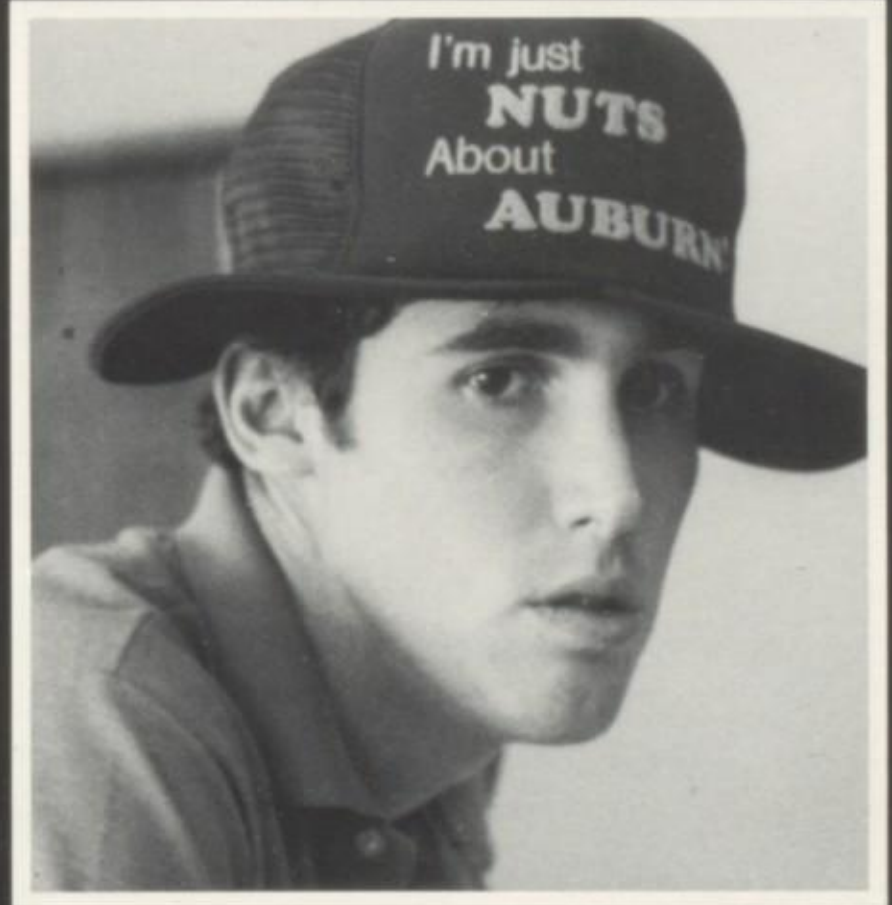
The Red Cross was extremely appreciative of all our hard work. Thanks to the students of DHS many lives were saved. Each pint

of blood collected was worth more than a "pot-of-gold."



And, as in the rainbow, **HOMECOMING** at DHS was glowing with color and excitement. The week before was filled with spirit-

raising activities. Monday was hat day. On Tuesday we wore our sweats. Wednesday was aglow with bright bandanas and overalls. We wore jerseys Thursday and our school colors on Friday.



Our team won the game against Albertville and the sophomores were awarded first prize for their outstanding float.

The new Homecoming activities for the week started a new **TRADITION** for years to come at DHS.

The "pot-of-gold" may never be found, but students at DHS

certainly had no trouble finding a **RAINBOW** of color in their lives.

LOCAL COLOR

"Gag me with a spoon"

"A fallen angel?"

"Working Nine to Five!"

"Raise your hands if you're sure!"

"I can bring home the bacon — fry it up in a pan."

"We've come a long way, baby!"

"Just clowning around"

"See what it did for this guy?"

"All my children"

"It's like — totally awesome, fer sher."
